***Our Esteemed Principal Mrs. Poonam Saxena , Representing SGS
In Finland***

Mrs. Poonam Saxena, Principal of Scholars Global School, recently participated in an enriching educational tour to Finland, joining a delegation of school leaders from across India. The visit offered a deep dive into Finland's globally acclaimed education system, known for its student-centric approach, emphasis on creativity, and holistic development.

Through interactive workshops, school visits, and collaborative sessions with Finnish educators, Mrs. Saxena gained valuable insights into innovative teaching methodologies, inclusive learning environments, and the importance of well-being in education. The experience sparked meaningful reflections on how select practices could be thoughtfully adapted to enhance learning outcomes at Scholars Global School.

This initiative marks a progressive step toward global benchmarking and continuous improvement, reaffirming the school's commitment to nurturing future-ready learners in a dynamic and compassionate environment.

BLUE DAY (PRE-PRIMARY)

Students Of Nursery Adorned In Whimsical Blue-Themed Attire

The Nursery corridor blossomed into a mesmerizing blue wonderland as our young learners celebrated Blue Day with exuberance and imagination. Adorned in whimsical blue-themed attire — from twinkling raindrops to luscious blueberries — the children radiated innocence, joy, and charm.

The celebration sparkled with lively rhymes, melodic songs, and captivating art displays, each creation reflecting the depth and elegance of the colour blue. A delightful storytelling session by teachers unveiled blue's symbolic essence — serenity, creativity, and endless possibilities.

Adding warmth and excitement, parents participated as judges, applauding the children's confidence, originality, and expressive flair. Blue Day was not merely a colour-themed event — it was a vibrant tapestry of learning, creativity, and heartfelt connection between school and home.

GREEN DAY+ TEEJ CELEBRATION

A Splash of Green, A Touch of Tradition

Our school joyfully hosted Green Colour Day and Hariyali Teej, blending festivity with meaningful learning and cultural pride.

Green Colour Day was a delightful experience for Nursery and LKG students, who arrived in adorable green outfits, symbolizing growth, purity, and harmony.

The day was filled with exciting games, creative competitions, and sweet treats — making learning vibrant and fun.

The spirit of celebration continued with Hariyali Teej, where LKG parents joined in with enthusiasm and grace.

Dressed in traditional attire, they enjoyed folk music, cultural performances, and shared joyful moments with teachers and children, embracing the richness of our heritage.

These events beautifully highlighted the importance of colour, culture, and community. We thank our wonderful parents and dedicated teachers for making these celebrations unforgettable — a perfect blend of joy, tradition, and togetherness.

SGS HOSTED STEM DLD

Educators came together at Scholars Global School to participate in the enriching STEM DLD workshop, fostering collaboration and innovation in teaching practices.

A STEM Workshop at Scholars Global School
Scholars Global School recently hosted an enriching STEM workshop for educators from across the city, aimed at exploring innovative approaches to integrating Science, Technology, Engineering, and Mathematics into the curriculum. The event provided a platform for teachers to enhance their pedagogical skills, fostering an environment that encourages creativity, critical thinking, and problem-solving.

The workshop was a collaborative effort that brought together participants, attendees, and guest educators in a shared pursuit of educational excellence. By equipping educators with cutting-edge tools and strategies, the school aims to deliver a more engaging and effective learning experience for its students.

We extend our heartfelt appreciation to all participants, attendees, and guest educators for their active participation and valuable contributions, which were instrumental in making this workshop a resounding success.

IN-HOUSE TRAININGS

At Scholars Global School, we firmly believe that teachers are the cornerstone of academic excellence. To further strengthen this foundation, the school recently conducted an in-house training programme designed to enhance pedagogical skills, update teaching methodologies, and encourage professional growth. The sessions focused on innovative classroom practices, student-centric learning strategies, effective use of technology, and fostering holistic development. Eminent resource persons facilitated interactive workshops, where teachers actively engaged in discussions, collaborative tasks, and reflective exercises. The primary objective of this initiative was to empower educators with advanced tools and fresh perspectives, ensuring that the learning environment remains dynamic, inclusive, and inspiring. Such continuous professional development not only enriches the teaching process but also translates into improved learning outcomes for our students.
