तमसो मा ज्योतिर्गमय — Lead us from darkness to light.

Dear Parent,

Namaskar!

As the festival of lights approaches, it brings with it the promise of joy, merriment and the eternal victory of goodness and hope.

Kindly note that the school will remain closed for the **Diwali Break** from **Monday, 20 October to Friday, 24 October 2025**.

This cherished time of celebration — marking Diwali, Govardhan Pooja, and Bhai Dooj — allows families to come together, share love, express gratitude and rejoice in the warmth of togetherness.

A Call for a Green Celebration

- ❖ This Diwali, let us light up our lives, not the skies.
- ❖ We earnestly urge our entire school community to celebrate responsibly — choosing eco-friendly diyas, minimal fireworks and sustainable decorations.
- ❖ May our celebration reflect the true spirit of Diwali— one that radiates joy, compassion and care for our planet.
- ❖ Let every lamp we light be a symbol of peace, purity, and environmental harmony.
- ❖ May the festival of lights illuminate our hearts and homes with happiness, love, and serenity.

SVIS wishes you and your family a joyous, safe, and Green Diwali!

Best regards

Team SVIS
