

BUNNY PUPPET MAGIC

ACTIVITY: Bunny Finger Puppets

DATE: 28 October 2025

CONDUCTED BY: Pre School

As part of the theme of the month, *Animals*, our preschoolers enjoyed a delightful hands-on activity—making their very own bunny finger puppets! The children happily coloured, decorated, and assembled their adorable bunny creations.

The excitement grew as the cute little puppets came to life on their tiny fingers, hopping around the classroom and spreading lots of joy. This fun craft not only sparked creativity but also helped develop fine motor skills and imaginative play.

It was a day full of smiles, giggles, and bunny magic!
