

HOP INTO LEARNING!

ACTIVITY: English Weekly Activity

DATE: 29 October 2025

CONDUCTED BY: Class 5A

As part of the English Weekly Activity, students of Class 5A enthusiastically crafted colourful paper frogs using simple folding techniques. After completing their creative frogs, each student shared interesting facts about frogs—covering their habitat, unique characteristics, and importance in the ecosystem.

The activity combined art, creativity, and speaking skills, helping students express their thoughts confidently while enjoying a fun, hands-on learning experience. It was a delightful session where learning truly *hopped* to life!
