

SAY NO TO POLLUTION!

EVENT: Morning Assembly on “Pollution”

DATE: 30 October 2025

CONDUCTED BY: Class 2C

The students of **Class 2C** conducted an informative and engaging assembly on the theme **“Pollution.”** They confidently spoke about the different types of pollution—air, water, and land—and highlighted how each one affects our environment.

Through their well-prepared presentation, the students encouraged everyone to take simple yet effective steps such as planting more trees, using dustbins, and avoiding water wastage. The assembly was thoughtfully presented, and the young learners of Class 2C did an excellent job in spreading the important message of keeping our Earth **clean, healthy, and green.**
