

REUSE, REDUCE, RECREATE!

ACTIVITY: Paper Bag Making

DATE: 25 October 2025

CONDUCTED BY: Class 3 Eco Club

Students of Class 3 took part in an engaging **Eco Circle activity** focused on sustainability and creativity. Using old newspapers, they learnt how to make beautiful and useful paper bags, promoting the idea of reusing waste materials. The hands-on experience not only enhanced their fine motor skills but also helped them understand the importance of reducing plastic waste and protecting the environment.

The young environmentalists enjoyed every moment of the activity, proudly holding up their self-made paper bags—a small yet meaningful step towards a greener planet!
