Affiliated to GGSIPU & Approved by COA & AICTE
GOOGLE CLASSROOM

All students and faculty members have official email IDs with the domains **@mbsarchitecture.org.in** and **@mbscollege.org**. Google Classrooms for all respective subjects have been created by teachers to share notes, announcements, and other academic materials. This facilitates smooth and effective interaction between teachers and students.

The screenshot displays the Google Classroom interface. On the left, a sidebar lists various classes with their respective icons (S, A, G, B) and names. The main area shows a grid of six class cards, each with a title, a session identifier, and a set of icons (line graph, folder, and three dots) at the bottom.

Dear Students,

You are encouraged to review the study material shared for your reference. However, please do not limit yourselves to just this material. It is essential that you become thoroughly familiar with all the topics outlined in the syllabus. Should you encounter any difficulties or have any questions, please do not hesitate to reach out to me.
