

Tie and Dye Workshop

Event: Tie and Dye Workshop

Organised by: ITL PUBLIC SCHOOL

Classes : VI- VIII

ITL Public School, in collaboration with Hindustan Times, organized an enriching Tie and Dye Workshop on 13 November 2025, under the Kaushal Bodh and Skill Education initiative, aligned with NEP 2020 and NCFSE. The workshop, conducted by Ms. Shweta Jain, an expert in Tie and Dye art, aimed to promote Vocation in Education by integrating practical learning in school curriculum.

Students enthusiastically participated in the hands-on session, experimenting with vibrant colours and innovative folding techniques to create unique patterns on fabric. The activity not only fostered creativity but gave students a taste of traditional craftsmanship with a modern touch.

The workshop contributed to nurturing confident, life-ready learners through skill-based education.
