The Quiz Club of **MBS International School** organized an **Inter-Class Social Science Quiz Competition** for **Class VII** on **15 October 2025**. The event aimed to promote awareness, teamwork, and quick thinking among students. The quiz was conducted in **three rounds: Preliminary, Semi-Final, and Final**. Students were divided into G6 (Group of 6).

In the **Preliminary Round**, all groups answered a written set of multiple-choice questions. Based on their performance, top 3 teams were selected for high accuracy with time management. The **Semi-Final Round** featured **rapid-fire questions**, testing the teams' ability to think fast and work together under pressure in which two teams got selected for the Final Round. The **Final Round** included **visual and audio-based questions**, which made the quiz more interactive and fun in which the winning team was decided. Each round tested the participants' presence of mind, accuracy, and quick decision-making skills. The quiz was conducted by the Class teacher, who maintained a lively and engaging atmosphere throughout the event.

The activity encouraged students to stay updated with the world around them, strengthened their conceptual understanding of social science, and instilled a healthy spirit of competition. The students participated with great enthusiasm and showcased impressive knowledge and teamwork. The event aimed to enhance students' awareness of current affairs, history, geography, civics, political, national, international news and world knowledge while promoting teamwork and healthy competition. The event was a great success, encouraging curiosity, confidence, and a love for learning among all participants. The efforts of all participants were appreciated and were encouraged to keep updating their general knowledge regularly through newspapers, books, and educational programs. The Social Science Quiz not only enriched students' knowledge but also built their confidence and spirit of healthy competition.
