

PBL–SDG SHOWCASE: CREATIVITY WITH PURPOSE

ACTIVITY: PBL–SDG Showcase

DATE: 13 November 2025

CONDUCTED BY: Classes 3-5

Showcasing the thoughtful presentations and impressive models created under the **PBL–SDG (Project-Based Learning – Sustainable Development Goals)** initiative by the students of Classes III, IV, and V.

Through hands-on exploration and creative problem-solving, students demonstrated a deep understanding of global challenges such as clean energy, responsible consumption, water conservation, and climate action.

Their well-researched projects, innovative models, and confident presentations reflected not only academic learning but also their growing sense of responsibility toward building a sustainable future.

The showcase highlighted how young learners can think critically, collaborate effectively, and contribute meaningful ideas for a better world.
