A Glimpse of the Event

Objectives:

- To foster a sense of wonder and curiosity among students by providing them an opportunity to explore scientific concepts through hands-on experiments.
- Allow students to explain scientific principles clearly and confidently, improving their public speaking and communication skills.

"Tell me and I forget, teach me and I may remember, involve me and I learn."

- Benjamin Franklin

Eureka club of the MBS International School conducted an **Inter-Class Competition** on 12 November 2025 for the students of class III-V on budding scientist. Students enthusiastically demonstrated a variety of experiments across scientific fields. These experiments were not only informative but also showcased the students' creativity and ability to simplify complex concepts.

The activity successfully achieved its goal of making science accessible and enjoyable, leaving all the students with a deeper appreciation for the wonders of the scientific world. It yielded multidimensional outcomes such as developing academic excellence and personal attributes, and increased their curiosity in Science. Not only it paved the way to experiential learning of scientific concepts, but improved students' confidence in presentation skills as well.
