— Nat Turner

The Lingua Franca Club of MBS International School conducted an enthralling inter-class competition, 'News Anchoring' for the students of Class V on Wednesday, 7 May 2025. This engaging event gave students a platform to step into the shoes of news anchors and present specially curated news segments celebrating mothers and their extraordinary roles in our lives.

From heartfelt headlines and weather reports to creative sports and breaking news stories dedicated to moms, the students demonstrated remarkable creativity and enthusiasm. The activity aimed to nurture essential communication skills such as fluency, pronunciation, and expressive presentation. It also introduced students to the structure of a typical news bulletin while emphasizing key elements like intonation, diction, and body language.

This themed role play not only helped young learners practice public speaking but also encouraged them to express gratitude and admiration for mothers in an imaginative format.
