

School Connect Program by CODE, IIT Madras

We are pleased to share an exciting opportunity from **IIT Madras – Centre for Outreach and Digital Education (CODE)** under their School Connect initiative.

The **School Connect Program by CODE, IIT Madras** is a flagship initiative designed to bridge school learning with higher education, empowering students to make informed academic and career choices. It cultivates early interest among students in science, technology, and emerging fields; strengthens foundational understanding of cutting-edge subjects to prepare them for future opportunities while helping students explore career-aligned pathways.

Registrations for the **January 2026 Batch** of their **8-week certification courses** are now open from **November 24, 2025**.

❖ **Target Group:** Grade XI students

❖ **Courses include:**

- * Game Tech Explorers (New)
