One day they argued as to who was smarter. The fox boasted, "I know many tricks I can jump, I can dance, I can stand on my two legs, I can swing on my one leg, etc." The cat knew only one trick i.e. to climb up a tree. While they were arguing, they heard gunshots and the sound of hunters. The cat quickly climbed up the tree near by while the fox tried all his tricks. But, none of those tricks worked and the hunters soon caught him.</p> <p>Moral: Know your capability. Do not boast beyond it.</p>
