

PRATAP INTERNATIONAL SCHOOL

Grade – (MT – PREP)

NOVEMBER (2025)

SYNOPSIS: This month was full of memorable moments as the school campus buzzed like a festive fair! From Spooky Halloween celebration to mind-blowing innovations at the Srijan science Exhibition and smile- filled celebrations on Children's Day, every corner of the school felt alive.

Highlights of November included:

- *Halloween Celebration*
- *SRIJAN 2.0*
- *Children's Day Celebration*
- *Class Enrichment Activities* 🖍️ 📄

❖ HALLOWEEN CELEBRATION

Pre-primary students enthusiastically celebrated Halloween Day at school, transforming the campus into a delightful and slightly spooky spectacle. The young ones arrived in an array of spooky costumes, ranging from friendly ghosts and whimsical witches to popular superheroes. They actively participated in a special Halloween dance theme performance, showing off their best spooky moves. They used their pumpkin bucket to collect treats distributed by their teachers—a thrilling version of trick-or-treating!

CLASS ENRICHMENT ACTIVITIES

➤ Class- MT

• Plants Activity:

Our little explorers enjoyed a fun plant-building activity, carefully adding roots, stems, leaves, and bright flowers to create their very own plants!

➤ **Class - KG**

• **Grow With Nature Activity :-**

Toddlers explored plant parts through a simple hands-on activity, learning how plants grow while enjoying a fun, sensory experience.

➤ **CLASS - PREP**

• **Subject Enrichment Activity :-**

The “This–That” activity for Senior KG helps children to learn the difference between things that are near and far. The teacher places objects like a ball or book close to the child to say “This is a ball🏐,” and puts some objects farther away to say “That is a book.” Through simple pointing and speaking, children quickly understand when to use this and that, while improving their observation and sentence-building skills.
