

## **BHARATIYA BHASHA UTSAV**

**ACTIVITY: Language Tree Activity**

**DATE: 4 December 2025**

**CONDUCTED BY: Class 6**

As part of the **Bharatiya Bhasha Utsav** celebrations, the students of **Class 6** participated in a creative and meaningful activity. They collaboratively designed a beautiful **Language Tree**, where each leaf represented a word or phrase from different Indian languages.

The activity encouraged students to appreciate India's rich linguistic diversity and understand how every language contributes to our cultural identity. By writing words and greetings in languages such as Hindi, Tamil, Bengali, Punjabi, Gujarati, and many more, students celebrated unity in diversity with enthusiasm.

The Language Tree stood as a vibrant symbol of India's multilingual heritage and the spirit of inclusiveness.
