“The manner of giving is worth more than the gift.”

To honor the tireless efforts of our school's support staff, the Grade 6 students participated in a heartfelt *Gift Wrapping Activity* on 30th April 2025 in the school premises. The activity was not only a gesture of gratitude but also an opportunity for students to understand the value of dignity of labour.

The school's multipurpose hall was transformed into a vibrant workstation, filled with colorful wrapping papers, satin ribbons, handmade tags, and glittering stickers. The students, filled with enthusiasm and respect, worked diligently to wrap thoughtful gifts prepared for the support staff, which included housekeeping staff, security guards, gardeners, and maintenance workers.

Guided by their class teachers, the students showed great creativity in wrapping, decorating each gift with personalized messages like *“Thank You for Your Hard Work”* and *“We Appreciate You!”* Some students even added small handmade cards expressing heartfelt sentiments.

The atmosphere was filled with excitement and warmth as students helped each other, carefully folding, tying, and presenting each gift with love. The event beautifully blended craft skills with important life values, leaving a lasting impression on young minds.

Later on the wrapped gifts were handed over to the support staff by the students themselves, accompanied by a loud round of applause. The smiles and gratitude on the faces of the recipients were priceless and made the day truly memorable.

This activity reinforced the message that every role, no matter how big or small, deserves recognition and respect. It also taught the students that small acts of kindness can create meaningful bonds and spread happiness in the community.

Overall, it was a heartwarming and successful event, celebrating the spirit of labour with creativity and compassion.
