***“Success is not final, failure is not fatal: It is the courage to continue that counts.” - Winston Churchill***

To instill values of gratitude, empathy, and respect, MBS International School organized a Gift Wrapping Activity for the students of Class 8 on 30th April 2025 during the activity period. As part of the initiative, students brought small gifts (worth up to ₹50) and participated in wrapping them creatively and thoughtfully for the school's support staff. The activity aimed to foster appreciation for the tireless efforts of those who contribute silently to the school community. Through this meaningful gesture, students developed a deeper sense of empathy, humility, and respect for every individual's role in their lives. The activity successfully promoted social awareness, emotional sensitivity, and the importance of gratitude, reminding students that even small acts of kindness can leave a lasting impact.

Students wrapped presents to be gifted to the housekeeping staff, security personnel, gardeners and other helpers who tirelessly contribute to the smooth functioning of the school every day.

The event began with teachers explaining the importance of Labour Day and the value of respecting every individual's contribution to society. This set the tone for the students to engage meaningfully in the activity.

With colorful paper, ribbons, and stickers, students enthusiastically wrapped each gift with care and creativity. The atmosphere buzzed with excitement as students worked in teams,

helping each other and discussing their designs. Teachers supervised the activity and encouraged students to add personalized notes to their packages, making each gift heartfelt and special.

The most touching moment came when the wrapped gifts were personally handed over to the support staff by the students. Smiles, cheers, and warm gestures filled the school campus as students thanked them for their dedication. The staff members were visibly moved by the appreciation and love shown.

This simple yet meaningful activity not only taught students the importance of gratitude and empathy but also created a strong sense of community within the school. Celebrating Labour Day in such a thoughtful manner left a lasting impression on everyone and highlighted the values of respect, dignity, and kindness.
