Title : The Secret of Team Fit India

BY- NISHTHA AGGARWAL – XII- B

It was a usual Monday morning in school when our Principal announced something different in the assembly. Each class had to take part in a “Fit India Challenge” and show one healthy habit for a whole month. The winning class would be featured in the school magazine.

At first, we all groaned. “Another competition? We already have so much to study,” said Rhea, rolling her eyes. But our sports captain, Aarav, said, “Come on, this could actually be fun. What if we try to make our class the fittest in school?”

Slowly the idea caught on. Some suggested yoga, some wanted to cut junk food, and Ananya, who usually stayed quiet, surprised everyone by saying, “We should also talk about mental health. Maybe we can put up a positivity board in class.” Our teacher nodded, “That's the spirit. Health is about body, mind, and community.”

The next day, our class turned into a mini experiment. Instead of rushing for samosas, many of us tried bringing sprout chaat and fruit bowls. Ishaan started a “Nutrition Journal” where we wrote what we ate and how we felt. Surprisingly, many of us noticed we had more energy in lectures.

On Fridays, Aarav made us do a short yoga session. At first, our tree poses looked more like wobbly scarecrows, and everyone laughed, but gradually we improved. Teachers said we looked more focused in class. Even before tests, we did deep-breathing instead of panicking.

The best part was seeing real changes in our friends. Rhea, who often felt tired, said, “Since I started eating proper breakfast and doing yoga, I don't feel so anxious anymore.” Hearing her made us realize that wellness wasn't just about marks or looks—it was about feeling good inside and out.

By the end of the month, our classroom looked different. A big chart with colourful affirmations hung on the wall. Our lunchboxes had more colours than packets. And during games period, more of us actually played instead of sitting on benches.

When the results were announced, our class was called on stage. The Principal said, “You have not only shown healthy habits but created a culture of positivity. This is the true spirit of Fit India.”

We clapped and cheered, but more than winning, it felt like we had learned something important. Wellness is not a one-day thing—it's a journey. And the best part is, when friends walk together on this journey, it doesn't feel like work, it feels like fun.

The last page of our Nutrition Journal summed it up perfectly:

“Health is not about being perfect. It's about making small choices every day—for our body, our mind and our future.”

WILDLIFE HERITAGE OF INDIA

India is a nation characterized by significant natural beauty and biodiversity. From the snow-covered Himalayas in the north to the tropical rainforests of the south, from the dry deserts of Rajasthan to the lush mangroves of the Sundarbans — every region of India is home to unique and diverse forms of wildlife. The wildlife heritage of India is both a source of pride and an essential component of the nation's ecological equilibrium and cultural identity.

Forests and National Parks

India's wildlife flourishes in its vast forest regions, which encompass approximately 21% of the nation's geographical expanse. The government has created an extensive network of protected areas, comprising national parks, wildlife sanctuaries, biosphere reserves, and tiger reserves, to safeguard this natural wealth.

Some of the most famous national parks of India include:

- **Jim Corbett National Park (Uttarakhand):** India's first national park, established in 1936, famous for tigers and elephants.
- **Kaziranga National Park (Assam):** Known for the one-horned rhinoceros, a UNESCO World Heritage Site.
- **Gir National Park (Gujarat):** The only home of the Asiatic Lion in the world.
- **Sundarbans National Park (West Bengal):** The world's largest mangrove forest and home to the Royal Bengal Tiger.
- **Periyar National Park (Kerala):** Famous for elephants and scenic beauty.

These protected areas not only conserve wildlife but also help maintain ecological balance and promote eco-tourism.

Cultural and Spiritual Connection

In India, wildlife has consistently been intertwined with religion, mythology, and culture. Numerous animals occupy a revered status in Indian traditions. The cow is regarded as sacred, the elephant is linked to Lord Ganesha, the peacock serves as the vehicle of Goddess Saraswati, the lion represents power and is associated with Goddess Durga, and the snake is venerated during Nag Panchami. These spiritual convictions have traditionally fostered compassion and the safeguarding of animals. Ancient Indian texts, including the Vedas, Puranas, and Upanishads, reference numerous animals and underscore the importance of coexisting harmoniously with nature. Many rural communities continue to uphold a profound connection with wildlife, venerating forests and rivers as sacred entities.

Threats to Wildlife

The primary factors contributing to wildlife decline include deforestation, poaching, habitat destruction, pollution, and climate change. Accelerated industrialization, urban development, and agricultural proliferation have resulted in diminished forests and fragmented ecosystems, complicating animal survival.

Illegal hunting and poaching for animal parts such as tiger pelts, elephant ivory, and rhinoceroses' horns have jeopardized numerous species. Human-wildlife conflict constitutes a significant problem, as animals like elephants, leopards, and tigers frequently intrude into human habitats in pursuit of sustenance, resulting in casualties and property damage.

Conservation Efforts in India

India has taken significant action to safeguard its wildlife. Project Tiger was started in 1973 in an effort to preserve the rapidly diminishing tiger population. Because of this program's great success, over 70% of the world's wild tigers now reside in India. Project Elephant, Project Crocodile, and the Integrated Development of Wildlife Habitats program are examples of similar initiatives.

Additionally, India has 18 Biosphere Reserves that support sustainable development and safeguard ecosystems, including the Nilgiri, Nanda Devi, and Gulf of Mannar. Additionally, groups like the Wildlife Trust of India (WTI), the World Wildlife Fund (WWF), and regional forest departments actively promote conservation efforts and awareness-raising.

अपने विद्यालय में सावधिक रूप से न्यूज लेटर प्रकाशित होते रहते हैं। इनमें विद्यालय की प्रमुख गतिविधियों और घटनाओं का उल्लेख रहता है। विद्यार्थी गण तथा शिक्षक वृंद भी इनमें अपने लेखन कौशल का परिचय देते रहते हैं।

यदि प्रकृति में कुछ शाश्वत है तो वह है परिवर्तन। चिरंतन काल से मानव समाज असंख्य परिवर्तनों का साक्षी रहा है। कभी अजेय समझी जाने वाली सभ्यताएं अब केवल भग्नावशेष बन चुकी हैं या अस्तित्व विहीन हो चुकी हैं। इसे समय का अनवरत और अनियंत्रित प्रवाह भी कहा जा सकता है।

मौसम बदलते रहते हैं। एक दिन में ही अनेक परिवर्तन दीखते हैं। तकनीक और प्रौद्योगिकी में भी निरंतर परिवर्तन होते रहे हैं। इसी तरह परिवर्तन हमारे स्वभाव, शरीर, मनोदशा, सोच, भावनाओं में भी होते रहते हैं। हमें परिवर्तनों के अनुसार अनुकूलित होना पड़ता है। जीवन की बदलती परिस्थितियों में भी हमें सजग रहकर स्वयं को ढालना होता है। जीवन में संघर्ष और चुनौतियां बरसात की तरह आती हैं। उनसे बचना संभव नहीं, पर छाता तानकर आगे बढ़ना हमारे हाथ में है। यह जिजीविषा हमारे जीवन पथ को सुगम बनाती है।

फिर से बने भारत 'सोने की चिड़िया'

कभी भारत को “सोने की चिड़िया” कहा जाता था क्योंकि यह देश समृद्ध संस्कृति, ज्ञान, संसाधन और आध्यात्मिकता का केन्द्र था। हमारे पूर्वजों ने विज्ञान, गणित, चिकित्सा, कला और दर्शन में ऐसे योगदान दिए, जिनकी गूँज आज भी सुनाई देती है। लेकिन समय के साथ विदेशी आक्रमणों और गुलामी ने हमारे गौरव को कमजोर कर दिया।

आज स्वतंत्र भारत फिर से उसी दिशा में बढ़ रहा है जहाँ वह विश्व में अपना पुराना स्थान प्राप्त कर सके। आधुनिक भारत न केवल तकनीक, अंतरिक्ष और डिजिटल प्रगति में आगे बढ़ रहा है, बल्कि आत्मनिर्भरता की ओर भी मजबूत कदम बढ़ा रहा है। “मेक इन इण्डिया”, “डिजिटल इण्डिया” और “स्टार्टअप इण्डिया” जैसी योजनाएं देश को आर्थिक रूप से सशक्त बना रही हैं।

युवा पीढ़ी आज भारत के पुनः निर्माण की रीढ़ है। यदि हम सब मिलकर ईमानदारी, परिश्रम और राष्ट्र प्रेम से कार्य करें, तो वह दिन दूर नहीं जब भारत फिर से ज्ञान, शांति और समृद्धि का प्रतीक बनेगा।

फिर से भारत “सोने की चिड़िया” बनेगा जब हर नागरिक अपने कर्तव्यों को निष्ठा से निभाएगा और देश हित को सर्वोपरि रखेगा। यही सच्चा राष्ट्रप्रेम है, यही हमारा स्वप्न है।

फिट इण्डिया के लिए स्वास्थ्य और कल्याण मंत्र

युक्ताहार विहारस्य युक्तचेष्टस्य कर्मसु।
युक्तस्वप्राव बौद्धस्य योगो भवति दुःखः॥

अर्थात् संतुलित आहार, आरामपूर्ण विहार, सही कर्म और अच्छी नींद के योग से दुखों से मुक्ति प्राप्त हो सकती है। मनुष्य को संतुलित आहार और कर्म का पालन करना चाहिए जिससे शारीरिक और मानसिक स्वास्थ्य बना रहे।

भारत सरकार द्वारा शुरू किया गया “फिट इण्डिया मूवमेंट” का उद्देश्य नागरिकों को शारीरिक रूप से सक्रिय और स्वस्थ जीवन जीने के लिए प्रेरित करना है। इस कार्यक्रम का उद्घाटन २६ अगस्त २०१६ को राष्ट्रीय खेल दिवस पर इंदिरा गांधी स्टेडियम में किया गया था।

इस कार्यक्रम में मार्शल आर्ट, सांस्कृतिक नृत्य और योग सत्र का प्रदर्शन किया गया है। यह आंदोलन नियमित शारीरिक गतिविधियों को बढ़ावा देकर मधुमेह, उच्च रक्तचाप और मोटापे जैसी समस्याओं को उजागर करता है।

यह मूवमेंट एक पूर्ण रूप से व्यक्ति के विकास में आवश्यक है। इस मूवमेंट का व्यापक प्रसारण हुआ है। यह कई स्कूलों और कॉलेजों तक पहुंचा है। मनुष्य को स्वस्थ एवं जागरूक बनाने के लिए हमारी सरकार ने विभिन्न प्रकार की योजनाओं को लागू किया है जिससे कि मानव जाति का कल्याण को सके और देश को स्वस्थ और निरोगी राष्ट्र बनने में सहायता मिले।

फिट इण्डिया के उद्देश्य

१. आरोग्य के रास्ते पर - इस मूवमेंट से पूरे देश में आरोग्यता होगी।
२. राष्ट्रीय स्वास्थ्य को बढ़ावा - पूरे देश में स्वस्थ जीवन शैली को बढ़ावा देना।
३. खेलों को बढ़ावा - सभी आयु वर्गों में खेल खेलने की आदत को विकसित करना।
४. राष्ट्रव्यापी पहुँच - देश के हर कोने तक यह अभियान पहुँचे।
५. समावेशिता - सभी आयु वर्ग और क्षमताओं के लोगों के लिए उपयुक्त फिटनेस गतिविधियां प्रदान करना।
६. सामर्थ्य - फिटनेस गतिविधियां सभी के लिए सुलभ बनाना।
७. सांस्कृतिक एकीकरण : फिटनेस को भारत की संस्कृति के अभिन्न अंग के रूप में सुदृढ़ करना।
८. स्थाई आदतें - दीर्घकालिक स्वस्थ रहने की जागरूकता का विकास करना।
९. जागरूकता - लोगों में स्वस्थ रहने की जागरूकता का विकास करना।
१०. समत्व भाव - यह सभी लोगों के लिए समान है।

इस मूवमेंट का उद्देश्य व्यवहार में बदलाव लाना और अधिक शारीरिक रूप से सक्रिय जीवन शैली की ओर बढ़ाना है। फिटनेस को आसान, मजेदार और निशुल्क के रूप में बढ़ावा देना है। फिट रहने से शरीर और दिमाग दोनों को फायदा होगा।

हमें अपने आप से वादा करना चाहिए कि मैं हर दिन शारीरिक गतिविधि और खेलों के लिए समय निकालूंगा और मैं अपने परिवार के सदस्यों और पड़ोसियों को शारीरिक रूप से फिट रखने तथा भारत को एक स्वस्थ राष्ट्र बनाने के लिए प्रोत्साहित करूंगा।

एक स्वस्थ शरीर में स्वस्थ दिमाग निवास करता है यदि किसी देश के नागरिक स्वस्थ नहीं होंगे तो उनका मस्तिष्क और मन दोनों ही स्वस्थ नहीं होगा। अगर भारत के नागरिक स्वस्थ होंगे तभी तो वह बेहतर सोचेंगे और देश भी विकास की राह पर तेजी से चल सकेगा।

उपसंहार - फिट इण्डिया की पहल युवाओं को अधिक महत्व दे रही है क्योंकि एक देश की अर्थव्यवस्था युवाओं पर निर्भर करती है। फिट इण्डिया मूवमेंट से देश के युवाओं के साथ-साथ सभी आयु वर्गों के लोगों को खाने की आदत बदलने और अधिक शारीरिक कार्य करने के लिए प्रेरित किया जाएगा ताकि वे स्वस्थ रह सकें और देश के विकास में अपना योगदान दे सकें।

भारत के वन्य जीव

भारत के वन्यजीव विरासत समृद्ध जैव विविधता और प्राचीन पारिस्थितिक ज्ञान से बुनी गई एक लुभावनी गाथा है। सुन्दरबन में दहाड़ते राजसी बंगाल टाईगर से लेकर काजीरंगा के बाढ़ क्षेत्रों में चरने वाले एक-सींग वाले गैंडे तक, यह उपमहाद्वीप जीव-जंतुओं की एक बेमिसाल श्रृंखला का घर है। पश्चिमी घाट के घने जंगल शेर-पूँछ वाले मकाक जैसी अनूठी प्रजातियों को आश्रय देते हैं, जबकि हिमालय दुर्जेय हिम तेंदुए के लिए एक अभयारण्य प्रदान करता है।

प्रसिद्ध स्तनधारियों के अलावा, भारत की पक्षी विविधता भी विस्मयकारी है। यहाँ के आकाश और आर्द्रभूमि में जीवंत मोर, हॉर्नबिल और असंख्य प्रवासी पक्षी उड़ान भरते हैं। सरीसृप, उभयचर और अविश्वसनीय किस्म के कीड़े इन पारिस्थितिक तंत्रों को और समृद्ध करते हैं। यह प्राकृतिक संपदा केवल प्रजातियों का संग्रह नहीं है: यह एक नाजुक संतुलन का प्रतिनिधित्व करती है जिसने हजारों वर्षों से जीवन को बनाए रखा है।

हालांकि, आवास के नुकसान, अवैध शिकार और जलवायु परिवर्तन से इस बहुमूल्य विरासत को गंभीर खतरों का सामना करना पड़ रहा है। राष्ट्रीय उद्यानों और वन्यजीव अभयारण्यों की स्थापना से लेकर समुदाय-आधारित पहलों तक, संरक्षण के प्रयास इन प्राकृतिक खजानों की रक्षा के लिए अत्यंत महत्वपूर्ण हैं। भारत के वन्यजीवों का संरक्षण केवल जानवरों की सुरक्षा के बारे में नहीं है: यह राष्ट्र की पारिस्थितिक अखंडता को बनाए रखने और इसके सभी निवासियों के लिए एक स्थायी भविष्य सुनिश्चित करने के बारे में है। यह प्राकृतिक दुनिया की स्थायी शक्ति और सुन्दरता का एक प्रमाण है, एक विरासत जिसे आने वाली पीढ़ियों के लिए संजोया और संरक्षित किया जाना चाहिए।

The Importance of Speaking in Language Learning

Speaking is a key part of learning any language. It helps students build confidence, improve pronunciation, and use vocabulary in real-life situations. Even making mistakes is part of the learning process. By speaking regularly, students become more comfortable and fluent.

Here are a few simple tips to improve speaking skills:

- **Practice daily** – even a few minutes a day makes a difference.
- **Don't fear mistakes** – they are part of learning.
- **Speak with friends** or classmates in the language.
- **Repeat phrases** and listen carefully to pronunciation.

At our school, we encourage all learners to speak up, participate actively, and practice as much as possible — because the more you speak, the more you learn!
