Public Speaking Activity on 30 April 2025, Wednesday was organized at MBS International School for the students of class IX and X. The theme of public speaking activity was “Role of Workers In Nation Building”. It assisted students to develop the understanding that workers are the backbone of any nation and their contribution plays a crucial role in building and strengthening the fabric of a country. The event enabled the children to understand how workers contribute to infrastructure development, economic growth, social and political stability, innovation and technological advancement. . It also focused on the fact that public speaking is an art, a skill which requires the proper use of language, pronunciation, presentation skills so as to provide justification to the topic. It can only be mastered by continuous practice and this activity gives a beautiful platform to students which has helped them to refine their skills. Such initiatives enhance students’ understanding and their curiosity for Public Speaking.
