Taase sarv aarambh me, Dhyaavat hai sab sant*

Meaning: Just by remembering your Guru, you will be able to overcome all the obstacles. That's why at the beginning of everything, Guru is remembered – not only by the saints, but also by many common people.

MBS International School organized a card making competition on the topic Guru Purnima on 09 July 2025 for the students of grade IX-X. Guru Purnima is basically the festivals of the 'seekers' – the seekers of the divine wisdom, knowledge, spirituality, peace and greater prudence.

The purpose of this activity was to shed light on the contributions of Guru that is celebrated as per the Hindu Moon Sign calendar to express reverence towards your Guru, your teacher or mentors. Etymologically, the word Guru has been derived from two parts – Gu that means darkness and Ru that is the antidote to the darkness. The word Guru implies someone who shows takes us away from the darkness of ignorance to the light of knowledge.

The activity on Guru Purnima has been an enlightening experience. Students participated to put the creativity to words and decorated beautiful cards.
