An Inter House **Gratitude Journal – Poster-Making Activity** was organised by MBS International School on **09 July 2025** for the students of class XI-XII to foster creativity, self-expression, and reflective thinking, themed around the auspicious occasion of **Guru Purnima**. The activity served as a platform for students to explore and express their heartfelt gratitude towards the guiding figures in their lives—teachers, mentors, parents, or spiritual leaders—through a powerful combination of art and words.

The participation was enthusiastic and heartfelt, with each entry displaying not just artistic talent but a deep emotional connect to the theme. From poetic expressions and reflective anecdotes to vibrant visuals and carefully chosen messages, the posters stood as silent yet powerful tributes to the mentors who shape lives.

The activity was more than an artistic exercise—it was a moment of introspection, gratitude, and shared celebration. It reminded us all that while knowledge empowers, gratitude enriches—and when both are expressed creatively, the result is truly inspiring.
