Cyber Security Workshop
Session: 2025-26
Venue: School Auditorium, MBS International School
Venue Director: Mr Atul Wadhawan
Resource Persons: Mr Rohit Bishnoi (Codju Technologies)

"To be secure is to be protected, but to be truly safe is to be aware."

Good morning, everyone!
A very warm welcome to our respected Principal Sir Vice Principal ma'am, our distinguished guest, faculty members, and all the enthusiastic participants present here.
We are gathered for a very relevant and timely session — a **Cyber Security Workshop**, aimed at helping us understand how to stay safe and smart in this ever-evolving digital world.

In an era where every click, every login, and every share matters, cybersecurity isn't just a technical issue — it's a life skill. As someone rightly said,

"The best defense against cyber threats is an informed mind."

Today's session promises to make us more aware, more alert, and more secure online.

Before we begin the session, we would like to take a moment to express our heartfelt gratitude to our esteemed guest.

I now invite our respected **Principal Sir, Mr.Atul Wadhawan and Vice Principal ma'am Ms. Bindu Sharma** to kindly come forward and present a **planter (or memento)** as a token of appreciation to **Mr. Rohit Bishnoi** for gracing this occasion with his presence and valuable time.

Thank you so much, Sir and ma'am, for doing the honors.

Introducing the Resource Person

It gives me immense pleasure to introduce our **resource person for today's workshop — Mr. Rohit Bishnoi.**

Mr. Bishnoi is the **Founder and CEO of Codju Technologies** and also the **Founder of iQuest Coaching Institute, Patiala.**
He is an alumnus of **IIT Kanpur**, where he completed his **B.Tech in Civil Engineering**, and **IIM Kozhikode**, where he earned his **MBA**.

With more than **17 years of experience in the EdTech industry**, he has played a significant role in transforming education through technology.

He is not only a successful entrepreneur but also a passionate mentor who inspires countless students and professionals.

We are truly honored to have him with us today to share his knowledge and insights on **Cybersecurity — the invisible shield of our digital lives.**

A warm round of applause!

Workshop Session Begins
Now, without further delay, I request our esteemed resource person, **Mr. Rohit Bishnoi**, to take over and enlighten us with his insights on **Cybersecurity — understanding threats, awareness, and protection in the digital era.**

Concluding Remarks & Vote of Thanks
What an incredible and insightful session we have had today!
Thank you so much, Sir, for such an insightful and thought-provoking session.
Your words have given us not just information, but true awareness — the most powerful defense against cyber threats.
We genuinely appreciate your time, expertise, and guidance.

As we come to the end of this wonderful session, one key takeaway remains —

"In the digital world, being connected is easy, but being protected is essential."

On behalf of the entire organizing team, we extend our heartfelt thanks to **Mr. Rohit Bishnoi** for sharing his valuable time and knowledge with us today.
We also thank our respected **Principal Sir, Mr.Atul Wadhawan** for his constant encouragement and support, and all our participants for their active involvement.

Let's continue to stay **aware, alert, and cyber secure!**

Thank you all once again — have a safe and productive day ahead!
