WINTER HOLIDAYS

Dear Parents,

Warm Greetings!

I would like to urge you all that in this winter break, spend quality time with your kids and motivate them to do their best in their upcoming examinations.

Homework allows students to revise classroom learnings and builds the habit of self-study. Increases their concentration and helps them to score better.

While doing homework, students find an isolated place to study where they can complete their learning process. It also encourages a communication network.

On the behalf of the entire Management, I wish you all a very Happy and prosperous New Year- 2026

Manisha Kaushal
Principal
