

Dear Little Explorers! 🜟

The winter holidays are finally here — a special time to rest, enjoy, and fill your days with exciting moments! \*\* Let's make this break fun, creative, and unforgettable with lots of Love, Learning, and Laughter! Here are some cheerful ideas you can try:

**Create Your Winter Art** 

Make beautiful drawings of your favourite winter moments — maybe a snowy playground, a friendly snowman, or a glowing winter night. Bring your artwork back to share with everyone after the holidays!

Learn While You Play

Explore new hobbies like reading heart-warming stories, writing short winter poems, or trying simple classroom activities that make learning fun even outside school.

Cozy Indoor Fun

Stay warm and have a blast — bake tasty treats with family, play board games, build forts with blankets, or try fun crafts like making snowflakes or decorations out of paper.

**Learning Loft** 

**E** Family Time & Adventure

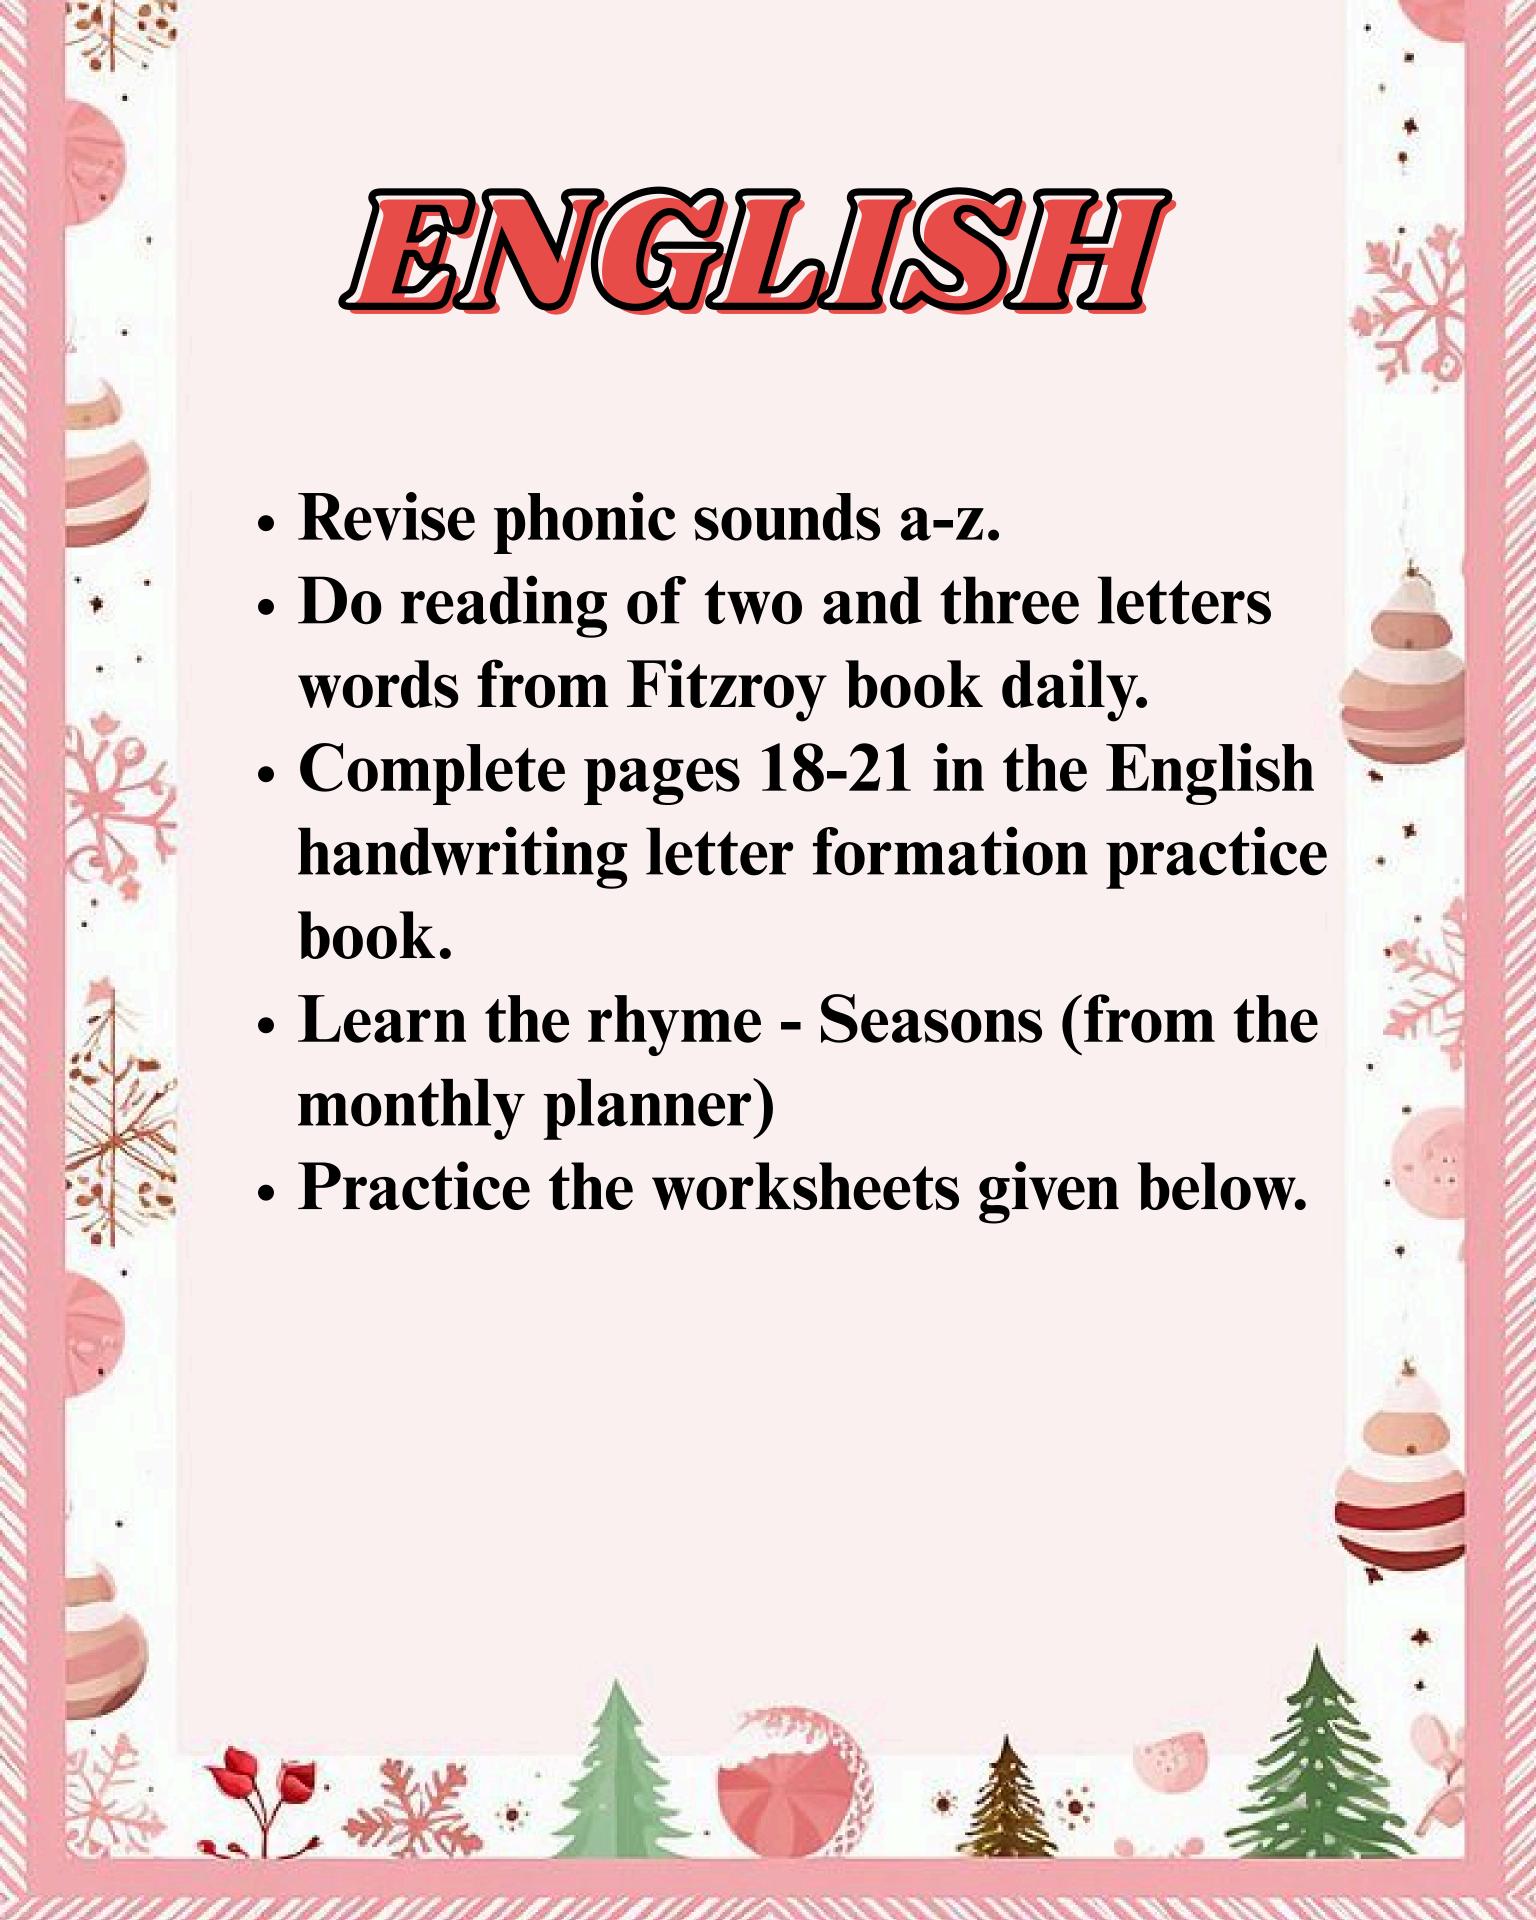

Spend quality time with loved ones — go for a nature walk, tell stories, read books together, or simply enjoy hot cocoa by the fire.

Heart - Warming Act of kindness: Donating Blankets, Food, and Toys to children in Need.

Share Your Memories

Take photos of all your adventures and bring them with you when school reopens. We can't wait to see what you've been up to!

Wishing you a wonderful winter break full of joy, creativity, and happy moments!
