### REPORT ON SCHOOL EXCURSION 2025

#### **Adventure and Joy: A Day at Wild Vadi Theme Park**

**Date:** December 12 & 26, 2025

**Venue:** Wild Vadi Theme Park, Sector 59, Gurugram

**Participants:** Classes 4th to 12th

**Total Strength:** Approximately 800 Students

The month of December brought an extra spark of excitement as our school organized a grand picnic to Wild Vadi Theme Park on Golf Course Extension Road, Gurugram. Nearly 800 students from classes 4th to 12th embarked on a journey to one of the most vibrant adventure spots in the Delhi NCR region. **The outing was designed to provide a refreshing break from the academic routine, allowing students to reconnect with nature and their peers in an outdoor setting.** The highlight for many was the Sky Adventure Zone. Brave students took to the air, experiencing an adrenaline rush while ziplining, sky cycling, and riding the sky roller. These activities were not just about fun; they challenged the students to overcome their fears and build self-confidence.

#### **Learning Beyond the Classroom**

While the primary goal was fun, the picnic served as an important "outdoor classroom." Through various group activities, students learned: Safety First: The importance of following professional guidance and safety protocols. Social Bonds: How to work as a team, look out for friends, and stay together in a large group. Environmental Respect: The value of enjoying nature responsibly and keeping our surroundings clean. The picnic concluded with tired feet but glowing faces. The air was filled with laughter and the shared stories of the day's adventures. This trip succeeded in creating lasting memories of friendship and joy that will be cherished for years to come. We express our heartfelt gratitude to the school management and teachers for their meticulous planning and for ensuring a safe, wonderful experience for all 800 students.
