Q9. Read the extract and answer the questions given below:

Several Gram Panchayats have won awards for taking child-friendly initiatives. Here's an example from Sikkim: Sangkhu Radhu Khandu Gram Panchayat, in west Sikkim, has given a lot of importance to children's needs and rights. The Panchayat has built compound walls for schools to make them safer for children. To ensure that students get hygienically cooked midday meals, the Gram Panchayat has constructed kitchens in the schools. It is for these efforts that Sangkhu Radhu Khandu has been declared a child friendly Gram Panchayat.

- a)What name has been given to child Panchayat of Sikkim?
- b)Elist two more states running child Gram Panchayats.
- c)Briefly explain the achievements of Sikkim's child panchayat.

Q10. Read the extract and answer the questions given below:

The fruit or vegetable vendors sell the farm produce to household consumers. Similarly, doctors, nurses, teachers, lawyers and pilots provide their services to those who need them. There are technicians who repair and service electronic items including mobile phones and televisions, mechanics who repair vehicles like cars and tractors, and electricians who ensure regular supply of electricity. Their services make our lives easier. Similarly, communication services through mobile and internet, software development, and services at hotels, restaurants, banks, schools, hospitals, airports, shops, warehouses, etc. are all examples of tertiary sector economic activities. This sector is also called the service sector.

- a) How is Tertiary sector dependent on the other two sectors?
- b) Enlist few services offered by Tertiary sector except the ones give above.
- c)Give an example to show the interdependence of all three sectors.
