One day he started shouting, "Wolf, wolf, wolf", for the sole purpose of fun. On hearing him, the villagers rushed to his help. What started as a figment of his imagination, became his hobby and he started fooling the villagers. One day, when a wolf really came, nobody came and as a result, the boy was killed. There was no one to blame but him.</p> <p>Moral: Never lie, no matter how bad the situation is.</p> </div>
