

## **SHIKSHA BHARATI GLOBAL SCHOOL**

### **SOF OLYMPIAD ACHIEVERS**

Our school conducts the Science Olympiad Foundation (SOF) Olympiads every year with active participation from students across various classes. These Olympiads include subjects like Science, English, Hindi, General Knowledge (GK), and Mathematics, offering students a valuable platform to test their knowledge and skills at the national and international levels.

Students from our school participated with great enthusiasm. We are proud to share that many of our students won medals and performed exceptionally well. Cash prizes and certificates were also awarded to the top performers, motivating them to continue striving for excellence.

The SOF Olympiads play an important role in encouraging academic growth, critical thinking, and healthy competition among students.

#### **SUBJECT - GK**
