SECTOR-11, DWARKA, NEW DELHI-110075

**Techies Club Activity**  
**SESSION 2025-26**

Name of the Activity : MS-Word  
Topic : Poster Making: Empowering the world through Computer Literacy  
Date : January 28, 2026  
Class : IV  
Activity In charge : Ms. Nishi Gupta

**Glimpse of the Event**

***Objectives:***

- *To develop designing skills.*
- *To foster positive attitude towards using technology that supports collaboration, learning and productivity.*

**“Investing in tomorrow’s technology today is more critical than ever...”— Bill Gates**

Techies club of MBS International School organised MS-Word: ‘**Poster Making: Empowering the world through Computer Literacy**’ activity for the students of class IV in which they were asked to create a poster on the given theme. The students applied alignment, indentation and line spacing commands for organising text. Students inserted different images for creating the poster.

**Judgment Criteria**

- Uses of tools
- Creativity
- Animations
- Originality

***Result***

| S.NO | Student Name      | Class       | Position |
