

# FAREWELL CLASS XII

The school bid an emotional and joyous farewell to the Class XII students on 30 December 2025, in a thoughtfully organised ceremony filled with warmth, celebration, and fond reminiscences. The programme commenced with the release of the farewell souvenir by the Principal, the Vice Principal, and Ms. Pruthi, symbolising a meaningful keepsake of the graduating batch.

The Principal addressed the students and extended her heartfelt best wishes, inspiring them to move ahead with confidence, purpose, and integrity. This was followed by the reading of citations by the class teachers, who fondly recalled the students' journeys and applauded their growth and accomplishments over the years.

A lively talent round featuring 25 shortlisted students added energy and excitement to the event, followed by a captivating dance performance that beautifully reflected the spirit of youth and camaraderie. One of the most touching moments of the ceremony was the screening of a nostalgic video that captured cherished memories and milestones from the students' school life.

The announcement of special titles added a celebratory highlight to the occasion, with Ms. Talented being awarded to Aryama Pandey, Ms. Runner-Up to Sonakshi Tanwar, and Ms. SVISG to Seerat Kaur Bindra. The farewell concluded on a heartfelt note, celebrating the enduring bond between students and teachers and wishing the outgoing batch success, happiness, and fulfilment in all their future endeavours.
