

ITL CANDYFLOSS

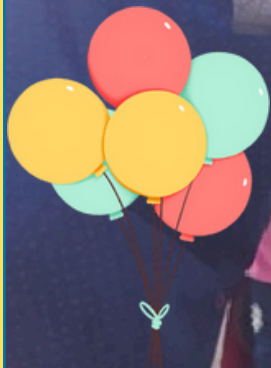

Children's Day

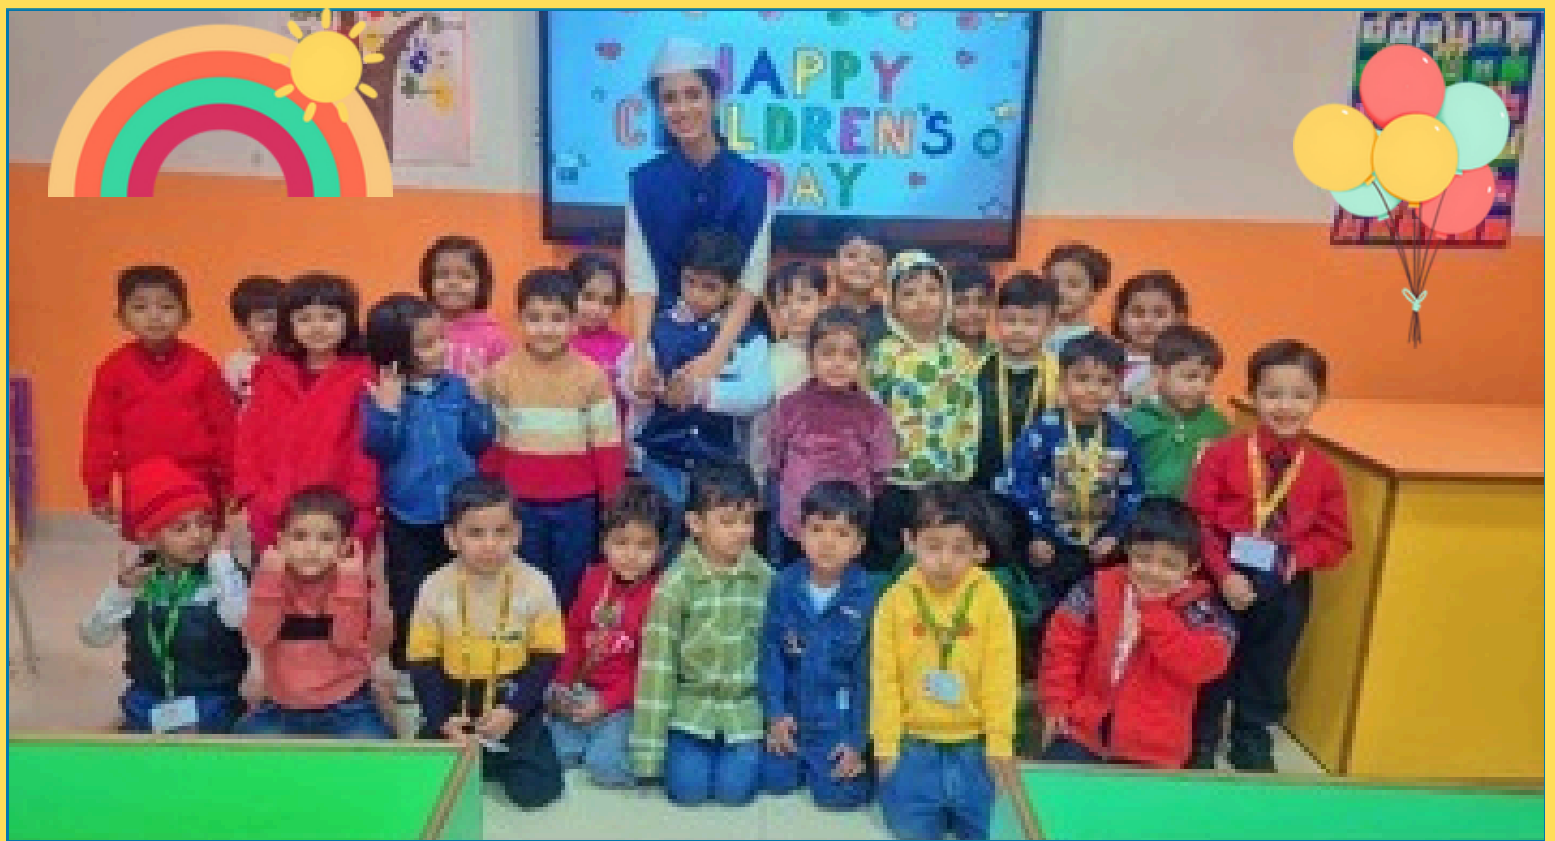

ITL Candyfloss celebrated Children's Day with a joyful special assembly filled with laughter, music, and colour! From a lively puppet show reminding children of the joy of outdoor play, to a cheerful choir and fun clown performances – every moment brought smiles and excitement. 'Chacha Nehru' made a surprise appearance, adding to the delight, and the day ended with joy rides and sweet treats. Our little ones went home with happy hearts and precious memories – because every day is brighter with them!
