*“The Earth has enough for everyone’s needs, but not for everyone’s greed.”*

— Mahatma Gandhi

MBS International School organized an Eco Club Inter-Class Competition titled “Best Out of Waste – Flower Making” for Class V – Blossoms of Joy. Students creatively transformed recyclable materials such as newspapers, used sheets, and bottle caps into attractive handmade flowers. With thoughtful planning and teacher guidance, each participant presented their work with precision, originality, and neatness.

The activity witnessed vibrant participation and remarkable creativity. Students effectively showcased innovation, environmental sensitivity, and artistic expression. The efforts were well appreciated by teachers, and the event successfully reinforced the values of sustainability, recycling, and responsible resource usage.
