“Creative minds make beautiful things from waste” -Anonymous

MBS International School Organized an Eco Club Inter Class Competition titled Best Out of Waste – Bookmark Making for Class IV students on 4 Feb 2026, in which students crafted bookmarks from waste materials such as old newspapers and used paper. The activity was organized to encourage creativity and spread awareness about environmental conservation.

Students participated very enthusiastically and with great interest. They eagerly shared ideas, selected materials, and creatively designed colorful and unique bookmarks. The classroom was filled with excitement as students actively engaged in cutting, folding, and decorating their bookmarks. Through this activity, students learned the importance of reusing waste materials, developed fine motor skills, and strengthened their interest in reading. The activity was both enjoyable and meaningful, making it a successful learning experience for all.
