## Message from the Editor

**Ms. Bobby Sharma**

Dear Readers,

December dazzles with lights, holidays, and celebration. But pause. Look closer. This month is a calendar of conscience. In a fast-moving world driven by competition and comparison, three timeless values quietly shape true character: kindness, compassion, and sacrifice. Kindness is the simplest gesture—a smile, a helping hand, a gentle word—that can transform someone’s day. Compassion goes deeper; it allows us to understand another’s pain and respond with care and empathy. Sacrifice is the highest expression of both, where we place others’ needs before our own comfort. In schools, these values are not taught only through books but through daily actions—sharing notes with a classmate, including everyone in games, respecting support staff, and standing up for what is right. History and society celebrate individuals who lived these values, reminding us that greatness is rooted in humanity.

December, therefore, is not about celebration alone. It is about conscience.  
Sympathy must feel. Compassion must act. Sacrifice must define us.

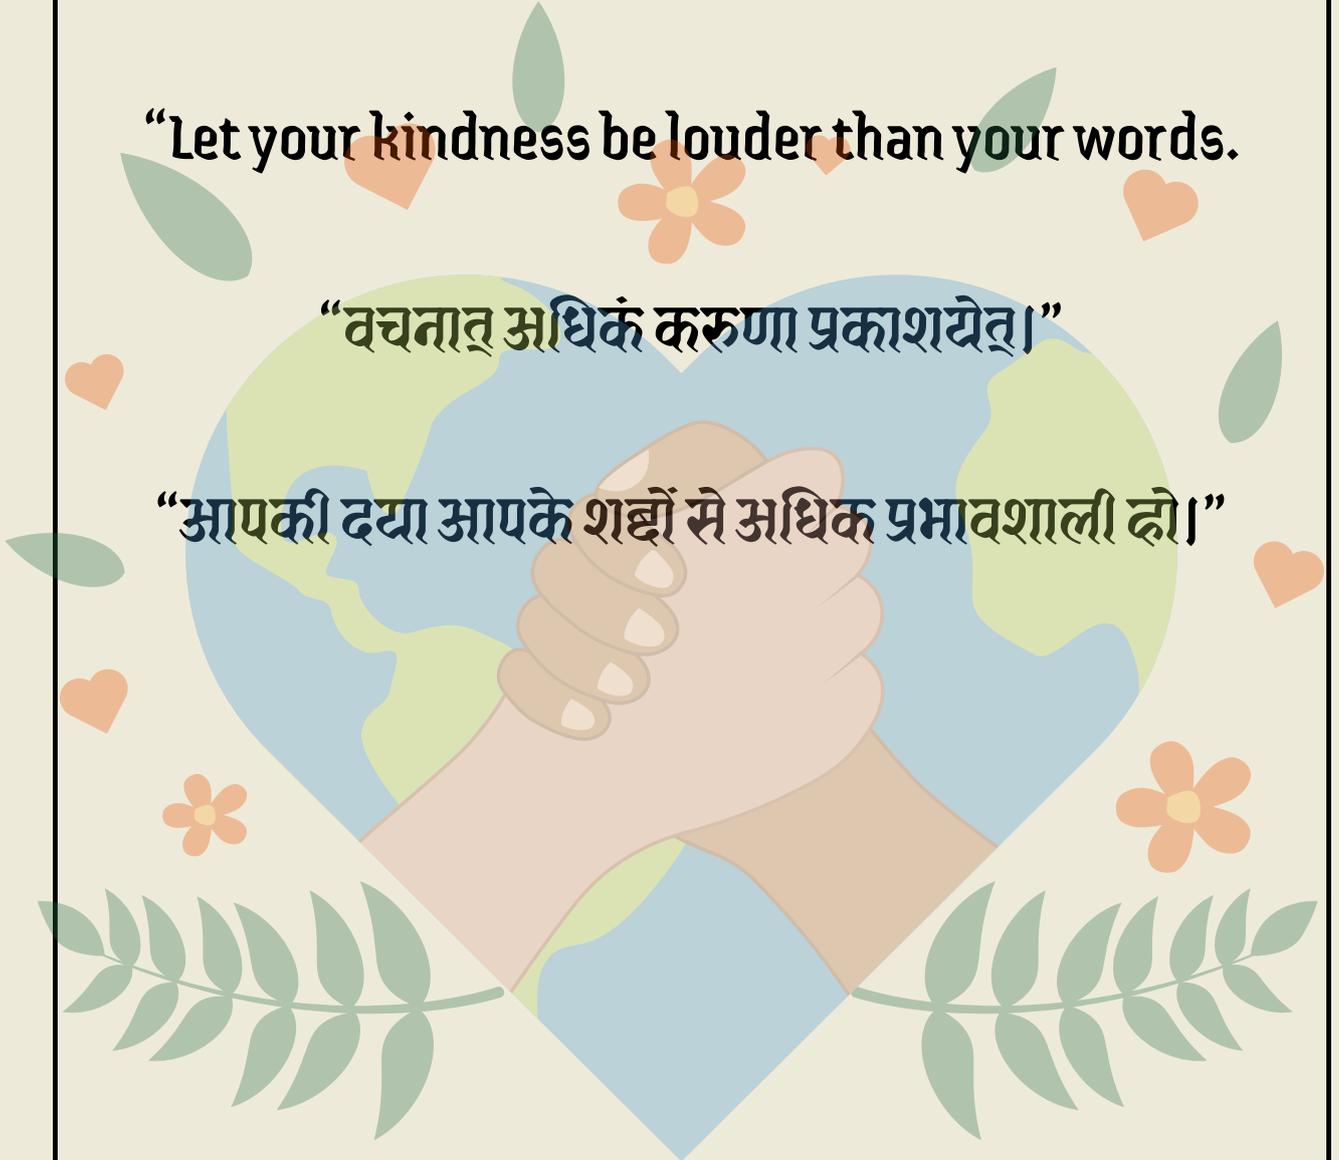

Happy reading!

# Value of the Month

“Let your kindness be louder than your words.

“वचनात् अधिकं करुणा प्रकाशयेत्।”

“आपकी दया आपके शब्दों से अधिक प्रभावशाली हो।”

# HIGHLIGHTS OF THE MONTH

# **JOSH 3.0**

## **ANNUAL SPORTS MEET**

On 13 December, School celebrated its Annual Sports Meet JOSH 3.0 with great enthusiasm and energy. The event was graced by our esteemed Chief Guest, Dr. Shivam Sharma (IRTS), Director General, SAI-NRC, who encouraged and motivated our young athletes. A special highlight of the day was Gaurav Samman 2.0, where five Olympians and one Acharya Awardee from Sonipat were honoured for their outstanding contributions to sports.

The enthusiastic presence of parents added to the joy and success of the event. Students displayed remarkable discipline, teamwork, and sportsmanship as all four houses—Vyom, Vayu, Varun, and Vasudha—competed with great zeal. Vayu House emerged as the Overall Champion, while Vyom House won the Best March Past award. The Sports Meet concluded on a proud and inspiring note, celebrating excellence, unity, and the true spirit of sports at GIS.

## **ANUBHUTI**

# **NOT JUST A FRAGRANCE. BUT A FEELING**

“Can a flower that once carried a prayer...  
carry peace again?”

And that question gave birth to our project –  
“ANUBHUTI – Organic Dhoopbatti.”

ANUBHUTI is made using dried flowers from homes and temples, Cow dung from school Gaushala, Pure essential oils, Natural binders, No chemicals, No artificial fragrance. Each stick is handmade by students, with love devotion and responsibility. ANUBHUTI is not just a product, it is an experience of peace, purity, positivity and when the fragrance spreads slowly, it brought a sense of calmness, a feeling of connection to our roots and a reminder that even waste can be reborn beautifully. By this project, we learned teamwork, sustainability, experimentation, and compassion.

But more than that, we learned that even small ideas can bring big change

# PRE-PRIMARY WING ACTIVITIES

## Show and Tell

On 2 December 2025, Tuesday our Pre-Primary students confidently showcased their favourite items in a fun Show and Tell activity. The session boosted their communication skills and encouraged active participation.

## Assembly - Story Telling About Christmas

On 3 December 2025, Wednesday during the morning assembly, teachers conducted a special Christmas storytelling session. They narrated the story behind Christmas and explained its significance, highlighting the values of love, kindness, and giving. Students listened attentively and gained a better understanding of the festival's importance. The session created a joyful and meaningful start to the day.

## हिंदी कविता वाचन

5 दिसम्बर 2025, शुक्रवार को प्री प्राइमरी के विद्यार्थियों ने आत्मविश्वास के साथ सुंदर कविताएँ प्रस्तुत कीं। इस गतिविधि ने उनके उच्चारण, अभिव्यक्ति और मंच कौशल को निखारा और सभी विद्यार्थियों ने उत्साहपूर्वक भाग लिया।

## Fun Experiment

On 9 December 2025, Friday Students of Pre Primary participated in a Science Fun Activity where they explored simple experiments on sink and float and colour mixing. They observed how different objects behave in water and learned how primary colours combine to form new colours. The activity encouraged curiosity, hands-on learning, and scientific thinking among the students.

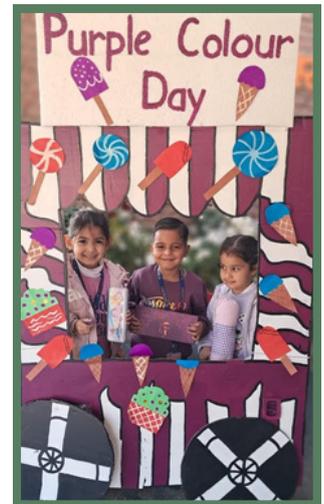

## Assembly on Forgiveness & Compassion

On 11 December 2025, Thursday an Assembly on Forgiveness and Compassion was conducted, where teachers and students of Pre Primary presented meaningful skits and stories to highlight the importance of these values. Through their presentations, they helped students understand how forgiveness strengthens relationships and compassion fosters kindness. The assembly inspired students to practice these values in their daily lives.

## Purple Colour Day

On 16 December 2025, Tuesday Pre Primary students celebrated Purple Colour Day with enthusiasm in the classroom. Students came dressed in purple colour and engaged in various activities related to the colour. They identified purple objects, participated in craft in purple colour and learned about the significance of the colour. The celebration created a joyful and vibrant learning experience for all.

## Visit to the Church

On 23 December 2025, Tuesday students of Pre Primary visited a church as part of the Christmas special celebration. They observed the beautifully decorated surroundings and learned about the traditions and significance of Christmas. The visit helped them understand the values of peace, love, and togetherness. It was a meaningful and enriching experience for all.

## Christmas Assembly & Celebration

On 24 December 2025, Wednesday a special assembly was organised on the occasion of Christmas, where students enthusiastically participated to celebrate the birth of Jesus Christ. The programme included beautiful dances, melodious Christmas carols, and short skits presented by the students. Through their performances, the children conveyed the teachings of Jesus, highlighting values such as love, kindness, sharing, and forgiveness. The assembly created a festive and joyful atmosphere and helped students understand the true spirit of Christmas.

## Life Skill

On 30 December 2025, Tuesday students of Pre Primary participated in a Life Skill Activity where they learned practical tasks such as peeling orange segments and mashing boiled potatoes. The activity helped develop their fine motor skills, independence, and confidence in performing simple daily tasks. It proved to be an engaging and effective hands-on learning experience.

## Letter Hunt in the Park

On 29 December 2025, Monday Our students enjoyed an exciting outdoor letter hunt—spotting, finding, and confidently naming letters hidden in the park. This fun activity boosted letter recognition, observation skills, and confidence while making learning playful and joyful.

## Leaf Collection & Counting Fun

On 22 December 2025, Monday Our students explored nature by collecting leaves and counting them one by one. This hands-on activity strengthened counting skills, number recognition, and observation while making learning joyful and meaningful outdoors.

## Pre-Activity of Letter “B”

On 4 December 2025, Thursday as a pre-activity for the introduction of the letter “B”, students of grade Ruby participated in a fun and engaging play-based activity. They were encouraged to identify and play with objects related to the letter B, such as ball, bat, and book. Through games and interactive participation, students learned to recognize the sound of the letter B and connect it with familiar objects. The activity created excitement among students and helped develop their listening skills, vocabulary, and readiness for letter learning.

## व्यंजन ‘ख’ की पूर्व गतिविधि -खेत भ्रमण

22 दिसंबर 2025, सोमवार को व्यंजन ‘ख’ की पूर्व गतिविधि के रूप में कक्षा रूबी के विद्यार्थियों को खेत भ्रमण कराया गया। इस गतिविधि के दौरान विद्यार्थियों ने खेत में उगने वाली विभिन्न सब्जियों को देखा और उनके नाम सीखे। शिक्षिका ने बच्चों को खेत, खरीफ़, तथा खेत से जुड़ी चीज़ों के बारे में सरल शब्दों में जानकारी दी। बच्चों ने प्राकृतिक वातावरण में रहकर सीखने का आनंद लिया और व्यंजन ‘ख’ की ध्वनि को वास्तविक जीवन के अनुभव से जोड़ा। यह गतिविधि ज्ञानवर्धक होने के साथ-साथ बच्चों के लिए रोचक और यादगार रही

## Foggy Day Vibes

On 26 December 2025, Friday students of Grade Ruby were introduced to the winter season through an outdoor activity. They observed fog, dew drops on swings and grass, and smoke coming out while speaking. This real-life experience helped them understand the effect of cold weather in a fun way.

## Long and Short

On 24 December 2025, Wednesday students of Grade Ruby participated in a Long and Short activity to understand the concept of length. They compared classroom objects like pencils, ribbons, sticks, and ropes through observation and touch. The hands-on activity helped students easily identify long and short objects while enhancing their observation and thinking skills in a fun way.

## खेलो और सीखो

8 दिसंबर, 2025 सोमवार कक्षा में हिंदी की छोटी 'इ' मात्रा को परिचित कराने के लिए एक रोचक गतिविधि करवाई गई। बच्चों ने क्ले की मदद से "इल्ली" बनाकर गतिविधि में उत्साहपूर्वक भाग लिया। इस रचनात्मक कार्य के माध्यम से बच्चों ने छोटी 'इ' मात्रा को पहचाना और उससे जुड़े शब्दों को समझा। यह गतिविधि बच्चों के लिए सीखने को सरल, मजेदार और यादगार बनाने में सहायक रही, साथ ही उनकी रचनात्मकता और भाषा-दक्षता में भी वृद्धि हुई।

## Draw and Create

26 December, 2025 Monday Our Grade Diamond students engaged in an exciting activity where they drew and created various means of transport - water, air, and land. This fun-filled exercise encouraged creativity and learning. We appreciate the enthusiasm and effort put in by our young learners.

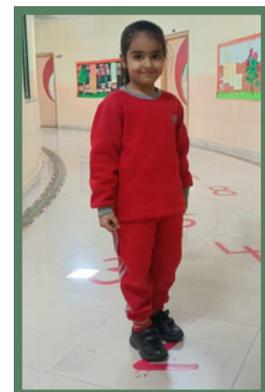

## Fun with 'Sh' and 'ch' sound words

15 December, 2025 Monday the students of Grade Diamond have successfully completed an engaging activity focusing on diagraph sounds, specifically 'sh' and 'ch'. They picked up words, read them, and jumped on the corresponding diagraph to reinforce their understanding. This interactive exercise helped strengthen their phonics skills and encouraged active learning.

## Backward Counting

10 December, 2025 Wednesday Our Grade Diamond students had a super fun time with backward counting. They jumped on the numbers from 10 to 1, saying each number in sequence. This activity helped them practice counting in reverse and got them moving.

# PRIMARY WING ACTIVITIES

## Picture Description

On December 3, Grade I & II students participated in a picture description activity. They observed the picture carefully and shared their ideas confidently. The children used simple words to describe what they saw. This activity helped them improve their speaking and thinking skills. It also encouraged creativity and imagination among the students. The students listened to each other with interest and respect.

## Language Assembly - Classroom Vocabulary

On December 8, students of Grade I took part in a joyful language assembly focused on classroom vocabulary. They learned and revised new words through fun activities and interaction. The assembly helped build confidence and improve everyday language skills. It was a wonderful learning experience filled with enthusiasm and smiles.

## Shoe Polishing Activity

On December 10, Grade I students took part in a shoe polishing activity. They learned the importance of cleanliness and personal hygiene. The children followed the steps carefully and worked with great enthusiasm. This activity helped them understand responsibility and self-discipline. Students enjoyed doing the task independently and confidently. It was a fun and meaningful learning experience for our little learners.

## Money Activity

On December 11, Grade I students participated in a fun money activity. They identified different coins and currency notes with interest. The children made various combinations of money using different denominations of notes and coins. This activity helped them understand the value of money. Students enjoyed learning through hands-on practice.

## Making a Weighing Balance Scale

On December 12, Grade II students enjoyed a hands-on learning activity by making weighing balance scales using shoe boxes. The students used their models in class to weigh and compare different items. This engaging activity helped them understand the concept of weight in a fun and interactive way, making learning meaningful and enjoyable.

## Exploring Things in the Soil

On December 16, Grade I students enjoyed an exciting activity exploring things found in the soil. They observed soil closely and discovered small stones, roots, and insects. The children shared their findings with curiosity and excitement. This activity helped them understand more about nature and the environment. Students learned to observe carefully and ask questions. A fun and hands-on learning experience for our little explorers.

## Fun with Experiments

On December 17, our Grade I & II students had a wonderful time exploring fun science experiments. Grade I students experimented with paper cups and a thread. They spoke into one cup and listened through the other, excited to discover how sound travels through the thread. This hands-on activity helped them learn by doing and observing, while also understanding the importance of listening to one another. Grade II students enjoyed some “magic” experiments! They coloured a rainbow on paper, covered it with a plastic sheet, and marked lines using a marker dipped in water; watching in amazement as the colours disappeared. In another experiment, they observed how a lemon dipped in plain water sank, while a lemon dipped in salt water floated. The students were thrilled and curious throughout the session, making learning both fun and memorable

## Careful hands, Confident learners

On December 18, Grade II students enthusiastically participated in a Life Skill Activity – Using Safety Scissors. Through guided practice, they learned how to hold, cut, and use scissors safely, building fine motor skills, focus, and independence. Learning safety the right way today helps shape responsible and confident individuals for tomorrow.

## Plant Pitaara Activity

On December 19, Grade I students enjoyed the Plant Pitaara activity. They collected leaves, flowers, seeds, and small natural items from the garden. The children carefully placed their collections into the Plant Pitaara box. This activity helped them connect with nature and observe plants closely. Students learned the importance of caring for the environment. It was a joyful and meaningful hands-on learning experience.

## Visit to Church

On December 22, Grade I and Grade II students had a beautiful and enriching visit to the church. With curious minds and folded hands, the children learned about faith, kindness, and respect in a calm and peaceful environment. The visit helped them understand values like love, gratitude, and harmony beyond the classroom. A day filled with learning, smiles, and blessings.

## Christmas Assembly

On December 23, Grade I and II students celebrated a joyful Christmas Assembly filled with festive cheer. The programme featured a lively Christmas dance, melodious carol singing, a beautiful presentation of the Nativity story, and students sharing the teachings of Jesus, highlighting love, kindness, and compassion. The enthusiasm of the children and the dedicated efforts of the teachers truly made the celebration special. Wishing everyone a Merry Christmas and a Happy New Year filled with joy and blessings.

## Christmas Craft - Bells

On December 24, Grade II students celebrated the festive spirit by making paper craft bells for Christmas. The children happily decorated their bells with colours and creative designs. They enjoyed the activity and expressed their excitement while spreading joy and Christmas cheer through their beautiful crafts.

## Leaves Activity

On December 26, Grade I students took part in a fun leaves' activity today. They collected and observed leaves of different sizes. The students arranged the leaves in ascending order from smallest to biggest. This activity helped develop their observation and thinking skills. Students enjoyed learning through hands-on exploration. A wonderful blend of nature and learning.

## English Language Quiz

On 30th December, our bright Grade I & II students showcased their curiosity and language skills in an exciting English Language Quiz. Divided into teams, the young learners enthusiastically participated in engaging rounds such as MCQs, one-word answers, Spell Bee, word meanings, grammar questions and a thrilling rapid-fire round. The atmosphere was filled with excitement as students answered confidently, cheered for their teammates, and celebrated each other's achievements. The quiz highlighted their teamwork, presence of mind, confidence, and a growing love for learning beyond textbooks.

## विद्या की डायरी

### रचनात्मकता और आत्म-अभिव्यक्ति की सुंदर पहल

कक्षा 3 के विद्यार्थियों ने पाठ “विद्या की डायरी” को बड़े ही रुचि और समझ के साथ पढ़ा। इस अध्याय से प्रेरित होकर बच्चों ने घर पर “बेस्ट आउट ऑफ वेस्ट ” सामग्री का उपयोग करते हुए रंग-बिरंगी और सुंदर डायरी तैयार की। इसके बाद कक्षा में विद्यार्थियों ने अपनी बनाई हुई डायरी में लेखन किया और डायरी लेखन के महत्व को समझा। बच्चों ने यह भी संकल्प लिया कि वे अपने विचारों, अनुभवों और भावनाओं को जीवन भर डायरी में लिखते रहेंगे। यह गतिविधि बहुत ही रोचक, सीख से भरी और आनंददायक रही।

## Special Christmas Assembly

**‘Christ’s message reminds us that love knows no boundaries, and unity shines brightest in diversity. ‘**

On 23rd December, the students of Grades III–V presented a heart-warming Special Christmas Assembly filled with joy, faith, and values. From soulful Christmas carol singing to vibrant dance performances and a meaningful skit depicting the kindness and compassion of Jesus Christ, every moment reflected the true spirit of Christmas. The celebration concluded with the lighting of five candles, symbolising the beautiful values we learn from this festival—love, peace, hope, kindness, and sharing. A celebration that truly spread smiles, togetherness, and the message of unity in diversity.

## Life Skill Activity - Grade III

Our Grade III students actively participated in a Life Skill Activity on 30th December, 2025 focused on folding clothes. With great enthusiasm, the children learned how to neatly fold T-shirts, trousers, handkerchiefs, and socks, showing responsibility and independence in their work. The activity was engaging and hands-on, helping students build self-confidence, organization skills, and good daily habits. It was a joy to see the children perform the task with care and pride, proudly displaying their neatly folded clothes. A wonderful learning experience that encourages independence from a young age!

## Life Skill Activity - Grade IV

Our Grade IV students took part in an exciting Life Skill Activity on 30th December, 2025 focused on grating vegetables, where they learned the basic household skills in a safe and guided environment. With great enthusiasm and care, the children practiced the activity responsibly and confidently. This hands-on session helped students develop independence, coordination, and awareness of daily life skills. It was heartening to see their focus, confidence, and pride as they completed the task successfully. A meaningful learning experience beyond the classroom!

## Life Skill Activity - Grade V

Our Grade V students enthusiastically participated in a Life Skill Activity on 30th December, 2025 where they learned the essential skill of sewing a button. With great focus and excitement, the children practiced threading needles, fixing buttons, and completing the task independently. This hands-on activity encouraged self-reliance, patience, and confidence, while helping students understand the importance of everyday life skills. It was truly heartening to see their enthusiasm and sense of achievement as they proudly showcased their work. A wonderful step towards learning beyond textbooks!

## Skill Presentation Grades III-V

A beautiful Learning Journey of Performing and Visual Art unfolded as our young learners of Grades III-V showcased their talents through a spectacular cultural extravaganza . Every song sung and every step danced showcased the praiseworthy skills of the young learners and the growing cultural pride in them. The Art Exhibition reflected students' creativity through diverse art forms that they explored in their classes, turning imagination into expression. The event began on an auspicious note with the lighting of the lamp by Vice Principal Ms. Rimpy Verma and Principal Mr. Prem Ojha, whose inspiring words motivated the students to explore their cultural heritage and indulge in learning the nuances of art. It was truly a celebration of team spirit, enthusiasm, coordination, and confidence, making the presentation a memorable showcase of holistic learning.

## CC Activity for Grades III & IV

The CC Activity for Grades 3 and 4 turned into a meaningful celebration of expression, values, and confidence. Our Grade 3 students captivated the audience through thoughtful storytelling on the theme My Family, beautifully portraying love, bonding, affection, respect, and togetherness. Their stories reflected warmth, emotions, and the importance of strong relationships. Meanwhile, Grade 4 students impressed everyone with soulful poem recitations, expressing their deep love and care for the environment. Through powerful words and confident delivery, they conveyed messages of responsibility, gratitude, and protection towards nature. Each performance showcased not only creativity and communication skills but also strong values such as empathy, responsibility, confidence, and awareness. The students participated with great enthusiasm, confidence, and clarity, making the CC Activity a truly enriching learning experience.

# MIDDLE WING ACTIVITIES

## **Celebrating the Spirit of the North-East: Meghalaya and Assam**

On 18 December, Grade VII A conducted a lively assembly showcasing the culture of Meghalaya and Assam. The programme featured a poem on sports icons, a skit on Mawlynnong—Asia's cleanest village, a beautiful Bodo folk dance, an informative PPT, and a soulful Bihu song. The assembly also honoured Ansh and Nancy of Grade VI B for their achievements at National sports events. The session concluded with motivating words from the teacher's talk.

## **Library Activity**

On 19 December, students of Grade VI B stepped inside the story and imagined themselves as a character. They expressed what they would feel, think, and do if they were part of the story. This activity helped them build imagination, empathy, and a deeper connection with reading.

## Joyful Christmas Assembly

On 24 December, Grade VI A presented a joyful Christmas Assembly, blending festive cheer with meaningful reflections. Through prayers, carols, dance, and thoughtful moments of remembrance, the students paid tribute to the Chhote Sahibzade and honoured the legendary mathematician Srinivasa Ramanujan, concluding with a heartfelt pledge to spread kindness, peace, and empathy

## Embracing Christmas joyfully, while respecting & preserving our cultural heritage on Tulsi Diwas

Grade VI to VIII students celebrated Christmas joyfully, while respecting and preserving our cultural heritage on Tulsi Diwas. On December 24, they blended traditions - planting Tulsi, sharing kindness, and spreading love. Students learned about the significance of Tulsi and Christmas, and merged these celebrations to cherish their roots. The activity promoted diversity, heritage, and joy.

## Inter-House Mathematics Quiz Competition

Inter-House Mathematics Quiz Competition for Grade: VI to VIII on 27 December 2025, providing students an exciting opportunity to enhance their logical and analytical skills. The event witnessed enthusiastic participation from all four houses, reflecting excellent preparation, teamwork, and confidence.

Results:

1. Vyom House
2. Varun House
3. Vayu House
4. Vasudha House

The quiz was conducted efficiently under the guidance of Quiz Master Ms. Anju Gupta. The school extends sincere appreciation to all House In-charges and House Teachers, with special thanks to Ms. Savita Rohilla (CCA Coordinator) and Ms. Sapna Tyagi (Academic Coordinator – Middle Wing) for their continued support. The competition truly made mathematics engaging and enjoyable for all participants.

## Green Birthday Celebration

In the month of December, Ridhaan of Class VI A, Krisha of VII A and Vaibhav of VII A celebrated their birthday in a meaningful way by planting a sapling in the school campus. Through this thoughtful gesture, they spread a message of caring for nature and working towards a greener environment. Their initiative reflects a step towards reducing our carbon footprint and protecting the planet. Wishing them a happy birthday and many more eco-friendly celebrations ahead.

## PBL-Exploring Sustainable Water Solutions

Under Project Based Learning on the theme "River", students of Grade VII explored the importance of water as a life-sustaining resource. They designed and presented innovative models such as rainwater harvesting systems, hydroponic farming techniques, water purifiers etc, demonstrating scientific understanding and environmental responsibility. Through hands-on activities, research, collaboration, and reflection, students traced their learning journey using a PBL timeline, documenting each stage from inquiry to presentation. This experiential approach enhanced critical thinking, creativity, and problem-solving skills while fostering awareness about sustainable water management and conservation practices.

## Hindi- SEA

भारत विभिन्न कलाओं का देश है जो अनेकानेक लोक नृत्यों एवं शास्त्रीय नृत्यों और लोककलाओं का साक्षी है। "पंडित बिरजू महाराज" से साक्षात्कार पाठ के माध्यम से कक्षा सातवीं के विद्यार्थियों ने " सुप्रसिद्ध कथक कलाकार बिरजू महाराज और कथक नृत्य परम्परा के बारे में जाना। इसके साथ- साथ विद्यार्थियों ने भारत के अनेक शास्त्रीय नृत्यों की जानकारी इकट्ठा करते हुए अपनी विषय संवर्धन गतिविधि पूरी की। निश्चित रूप से इस गतिविधि ने विद्यार्थियों को अपने देश की कलाओं की समृद्ध परंपरा को जानने का और समझने का अवसर मिला

# Creativity Corner

Aarohi of Grade VI A, Rabhya of Grade VII A and Kunal of VII A unleashed their creativity by crafting stunning artworks and poem. They brought their imagination to life and showcased their unique talent and expression

Friends Forever

The friendship we have is so rare to find,  
 We hate to see each other in a bind.  
 We've made each other laugh so hard we've cried,  
 We feel each other's pain if we are hurt inside,  
 We always can find the right words to say,  
 To help us get through any dreadful day.  
 We have told our darkest secrets, with feeling no shame,  
 We will tell each other the truth, even if we are ~~to~~ to blame.  
 Thinking of you not being here makes me feel so sad,  
 We'll have to look back on our crazy memories to make us glad.  
 The miles between us can't keep us apart,  
 Because we'll keep each other close to heart.

Kunal  
 Class: 7<sup>th</sup>A

# SENIOR WING ACTIVITIES

## **Celebrating the Spirit of the North-East: Meghalaya and Assam**
