FOUNDER'S DAY

Founder's Day at Pratap International School was marked by warmth that went beyond celebration. As a tribute to our founder's guiding values, the school shared hot chai and blankets with those braving the winter. A simple act with a powerful message—education finds its true meaning in service, empathy, and care for society.

SPECIAL ASSEMBLY LOHRI AND MAKAR SANKRANTI

Traditions come alive when learning meets culture. Our students celebrated Makar Sankranti & Lohri through energetic dance performances and meaningful skits, showcasing joy, gratitude, and the spirit of togetherness. Moments like these remind us that education is not just about books—it's about values, expression, and celebrating our roots.

SYNOPSIS :- The month of January at Pratap International School was celebrated with enthusiasm, cultural richness, and patriotic spirit. The month began with Founders' Day, where students and staff remembered and honored the vision and efforts of the founders who laid a strong foundation for the school. A Lohri Celebration Special Assembly was conducted to introduce students to Indian traditions and cultural values.

The celebration spread joy and togetherness among the school community. This was followed by the Vasant Panchami celebration, which highlighted the importance of knowledge, wisdom, and learning. An interactive session, Coffee with the Director, was organized to encourage open communication and strengthen the bond between the school leadership and the school community.

The month concluded with the celebration of 26th January – Republic Day, instilling a sense of patriotism and respect for the Constitution of India among students. Overall, January was a month filled with learning, cultural awareness, interaction, and national pride.
