One pot was perfect, but the other had a crack and leaked water on the way back home. The cracked pot felt ashamed because it could only deliver half the water.</p> <p>One day, it apologized to the water bearer. The man smiled and said, “Did you notice the beautiful flowers along the path?”</p> <p>The cracked pot hadn’t. The water bearer explained that he planted seeds on that side of the path, knowing the cracked pot would water them every day. Because of the crack, the path bloomed with flowers.</p> <p><b>Moral:</b> Our weaknesses can turn into strengths when used wisely.</p>
