<b>SECTION-D (10 Marks)</b>		
11	<b>Read the given text and answer the questions that follow-</b>  <i>“Changes are happening to us and to the world around us all the time. Some changes take years; some happen in just days or minutes! Just like we grow and change, the world around us is changing too. The day changes into night and the night becomes day.” (Source- Our Wondrous World)</i> a) What causes day and night on earth?	2

	b) Give two examples of changes that take years to happen.	
12	<p><b>Read the given text and answer the questions that follow-</b></p> <p><i>“As you know, the Sun gives us light and heat. Around us, things move, light up, make sounds, or get warmer or cooler. Something makes this all happen — we call that energy. Energy is what makes things move, light up, produce sound, do work and change temperature. We use energy every day in so many ways, to make things move, produce sounds or do work, sometimes without even noticing.” (Source- Our Wondrous World)</i></p> <p>a) What is meant by energy?</p> <p>b) Do living things like humans, animals need energy? If yes, where do they get it from?</p>	2
13	<p><b>Read the given case and answer the questions that follow-</b></p> <p><i>“The game of chess, and snakes and ladders originated in India. Spices like pepper and cardamom from India went to many countries. Traders called them ‘black gold’ and travelled far to get them. Yoga has been practised in India for more than 3,000 years.”</i></p> <p>a) Name any two things that travelled from India to other countries other than the ones mentioned here.</p> <p>b) Why did people all over the world start practising Yoga?</p> <p>c) Has India got something from another country that has become a regular part of our lives? Justify your answer with the help of an example.</p>	3
14	<p><b>Read the given case and answer the questions that follow-</b></p> <p><i>“People in our country rarely throw clothes. If the clothes no longer fit us, we usually give them over to a younger sibling or to anyone who can use them. Sometimes an elder may make something else from it. There is also an old tradition in our country of making beautiful quilts by joining small pieces together.”</i></p> <p>a) Why should we not throw the old clothes away?</p> <p>b) Name any two things that can be made with old clothes.</p> <p>c) What do you mean by recycling?</p>	3
