Dear Parents,

Greetings of the day!

“ Education blossoms best when school and home nurture the same dream “

Congratulations! We warmly welcome you to the DPS Family. As our new academic year begins, we are writing to wish you and your children a good start to the term and every success throughout 2026 and the years to come. We can assure you that we shall continue to work diligently with parents and faculty to foster an atmosphere that promotes a learning community characterized by child centered instructions and decisions, academic excellence, trust, respect, community involvement, excellent communications and recognition of both students & staff achievements. We are committed to working in collaboration with you to continue to develop and implement this shared vision.
