

HRM Sankalp

An Initiative by HRM School of Excellence

JEE/NEET /Foundation / Olympiad

Circular No: GIS2026-27/AC003

21 March 2026

Keeping in view the expectations expressed by parents for a comprehensive learning environment—where students do not need to depend on external support—the school management has carefully considered this need. Accordingly, the management has decided to introduce **an integrated approach** that ensures complete academic support and holistic development within the school itself.

In an era where students juggle academics, competitive exams, and emotional well-being, HRM Sankalp offers a smarter path forward. Our integrated programme for **Grades VI–VIII** combines **CBSE, Olympiad** and Foundation education and **Grades IX–XII** combines **CBSE, JEE/NEET** preparation within the school, eliminating the need for external coaching and reducing stress.

Beyond academics, **Rishi Gyanam** empowers students with resilience, mindfulness, and inner strength—helping them embrace challenges, stay confident, and grow into balanced, self-aware individuals.

❖ **PROGRAMME DETAILS:**

Class: IX- XII (Six days a week)

Timings: 7:40 a.m.- 4:15 p.m.

Class: VI-VIII (Two days a week)

Timings: 7:40 a.m.- 4:15 p.m.
