

**ST. THOMAS' SCHOOL**  
DWARKA

Cir No.: STS/01/2026-27

01.04.2026 (Wednesday)

Dear Parent

Greetings and a warm welcome to the Academic Session 2026–27!

We are delighted to share that St. Thomas' School is celebrating 20 years of its foundation, marking two decades of excellence in education, values and holistic development. This remarkable journey has been one of vision, perseverance and continuous progress, shaping young minds and nurturing responsible citizens. Over the years, the school has grown not only in strength and achievements but also in values, character building and holistic development of its students. The success of these two decades is the result of the collective efforts of dedicated teachers, supportive parents, hardworking students and committed management.

As we begin another year of learning and growth, we look forward to creating a stimulating and enriching environment for our students. This session also brings new infrastructural additions to the school, including new Basketball Court, Pickleball Court and Lawn Tennis Courts, providing students with enhanced opportunities for sports, fitness, and overall development.

With a well-planned academic programme aligned with NEP and NCF, our focus is on developing important skills such as scientific thinking, creativity, logical reasoning, communication and problem-solving. Please stay connected through the school portal (Cloud9) for important updates and information regarding your child's progress.

Please note that the school timings will be from 8:00 a.m. to 2:15 p.m.

We sincerely thank all parents for their continued support, cooperation, and trust in the school. Together, we look forward to a wonderful year filled with learning, growth and achievements.

Wishing all our students a happy, successful and enriching academic year ahead!

Ms Meneka I. Singh  
(Principal)
