

ASSESSMENT SYSTEM CLASSES PRE-NUR-III

Academic Session is divided into two terms:-

| | | |
|----|---------|--------------------|
| a) | I Term | April to September |
| b) | II Term | October to March |

PRE NUR - PREP

- Evaluation is integrated into daily routines, where teachers observe children as they engage in theme-based experiences, hands-on activities, and play-based learning.
- Teachers maintain regular observation notes to monitor developmental milestones, social-emotional growth, communication and concept understanding in real time.
- A structured checklist is used periodically to review age-appropriate skills, learning outcomes and overall progress
- A comprehensive holistic report card is issued twice a year, supported by monthly observation records, enabling a complete picture of each child's development

CLASSES I TO III

- Formative System of Assessment will be applicable for these grades.
- Students will be observed on a regular basis via conversations, projects C.W / H.W, visual testing, assignments, quizzes etc. so as to ensure continuous assessment.
- A Competency based Assignment will be conducted once in each term for Grade I and twice in each term for Grade II and Grade III.
- The report card will be continuous in nature where in the educator will use a checklist to assess student's progress and provide feedback to both students and parents.
