

Annual Report: Gateway International School (Academic Year 2023-24)

Introduction

It is with profound pride and pleasure that Gateway International School (GIS) presents its Annual Report for the academic year 2023-24. This year has been a vibrant tapestry of diverse events that have inspired and enlightened our entire academic community. At GIS, we believe that an investment in our education pays lifelong dividends. From the moment a child joins us at age three, we are committed to helping them realize their full potential through a holistic approach that extends far beyond academic excellence.

Academic Excellence

Our commitment to moving away from rote memorization toward **Project Based Learning (PBL)** ensures the development of essential life skills such as critical thinking, problem-solving, and creativity. This dedication is reflected in our outstanding **CBSE Board Examination results** for the 2023-24 session.

Sports and Physical Education

Sports are integral to the GIS curriculum, with training provided across 17 different disciplines, including Archery, Shooting, Tennis, and Swimming.

- **International Recognition:** Agrimn represented the school at the **4th World Junior Tennis Championship** in China, securing a position in the Top 32 for Singles and Top 16 for Doubles.
- **National & State Achievements:** Our students earned numerous accolades in SGFI and CBSE National tournaments in swimming, cricket, football, wrestling, and chess. Notably, Aviral (Cricket) and Arsh (Football) both secured 2nd positions at the SGFI State level.

Institutional Highlights & Experiential Learning

GIS fosters an environment where every student has the opportunity to shine through various flagship events:

- **Abhivyakti 5.0:** An inter-school cultural and literary festival featuring 35 schools, celebrating linguistic brilliance and India's cultural heritage.
- **MUN 4.0:** A Model United Nations platform where students debate global issues and propose diplomatic solutions.
- **PBL International Conference:** GIS hosted its inaugural International Project Based Learning conference, attended by 130 Principals and delegates from the USA.
- **Gateway Scholar Batch:** A specialized initiative for students in Grades 3–10 to prepare for competitive exams like NTSE and various Olympiads.
- **CUET & Career Guidance:** Renowned experts such as Mohit Bansal and Jitin Chawla conducted workshops to mentor students on university entrance exams and future career paths.

Holistic Development and Value Education

We prioritize the cultivation of compassionate, well-rounded citizens through several key initiatives:

- **Community Service:** Students engage in social responsibility through visits to old age homes, NGOs, and participating in "Seva" at Gurudwaras.
- **Language & Communication:** Daily activities such as debates, extempore, and role-plays create a dynamic environment for enhancing public speaking skills.
- **Special Assemblies:** We celebrate India's rich diversity through assemblies focused on festivals like Eid, Diwali, and Guru Nanak Dev Jayanti, alongside vital topics like cyberbullying and environmental conservation.
- **Habit & Etiquette of the Month:** This program ensures the consistent inculcation of positive manners, mindfulness, and discipline.

Infrastructure and Innovation

The school provides a state-of-the-art learning environment, including dedicated laboratories for Science, Mathematics, Robotics & Innovation, and Psychology. To ensure student safety, our campus features a Flap Barrier security system and all school buses are equipped with CCTV surveillance.

Through these comprehensive academic, athletic, and social initiatives, Gateway International School continues to set benchmarks in providing quality education and fostering the leaders of tomorrow.
