Dear Parents,

Greetings!

To help our young learners assess their competency levels, an **Open-Door Mock Test** in EVS and Mathematics will be conducted for Class III. This initiative aims to familiarize students with the examination pattern of Class IV and build their confidence.

The Open-Door Assessment Cycle will include:

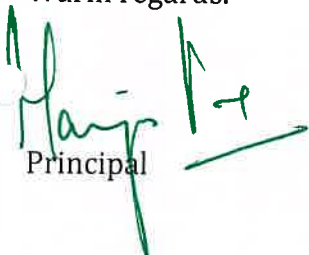

1. **Diagnostic Assessment** - A pen-and-paper MCQ test to evaluate conceptual understanding.
2. **Targeted Reteaching** - Focused sessions to address identified learning gaps and misconceptions.
3. **Reassessment** - A follow-up test on the same syllabus to measure progress.

The test will be for **20 marks**. The detailed schedule, mode of conduction, and students' login IDs and passwords will be shared shortly.

IMPORTANT: Please note that the marks obtained will **not** be included in CBA 4.

For any queries, kindly contact the Academic Coordinator, Ms. Ritu Das, at ritu.das@dpskpv.com.

Warm regards.
