Dear Parents and Students,

At Delhi Public School Knowledge Park V, we are committed to student success. We empower students to excel in college admissions and win scholarships with effective PSAT preparation—the perfect foundation for their global path ahead. To support this, we invite you to our **exclusive webinar**: Get Ready for High School and Beyond with PSAT-Related Assessments.

From Grade 8 onward, PSAT 8/9 and PSAT 10 build essential reading, writing, and problem-solving skills, with detailed reports, free Khan Academy customization, SAT practice, and actionable insights for parents and educators.

The **PSAT 8/9 and PSAT 10** are designed to measure college readiness, support scholarship opportunities, and prepare students for the SAT and other competitive exams.

### Why students should take the PSAT

- The PSAT 10 is designed to measure college readiness, help students access scholarships, and prepare for the SAT and other competitive exams.
- It offers students an excellent and cost-effective way to practice for the SAT; the PSAT assesses the same skills as the SAT but in a grade-appropriate way.
- The detailed score reports help students and educators gain a deep understanding of the students' strengths and weaknesses, so they are better prepared for the SAT.

- Even if students do not plan to take the SAT, the PSAT offers meaningful insights into their skills and helps them prepare for other similar standardised/competitive exams in India and abroad.
- Students can send their PSAT score report to their free Khan Academy SAT practice account and get free, customised recommendations on how they should prepare for the SAT, based on their section-wise / question-wise performance on the PSAT.
- Educators and Parents receive highly detailed and meaningful data and reports on how their students performed in the PSAT, at the individual student, grade, and school level, which can help drive instruction and focus on skills that most need attention.
- Guidance on pathways to scholarship opportunities

We look forward to your participation.

Warm regards,

  
Principal
