

# ITL CANDYFLOSS HOLI

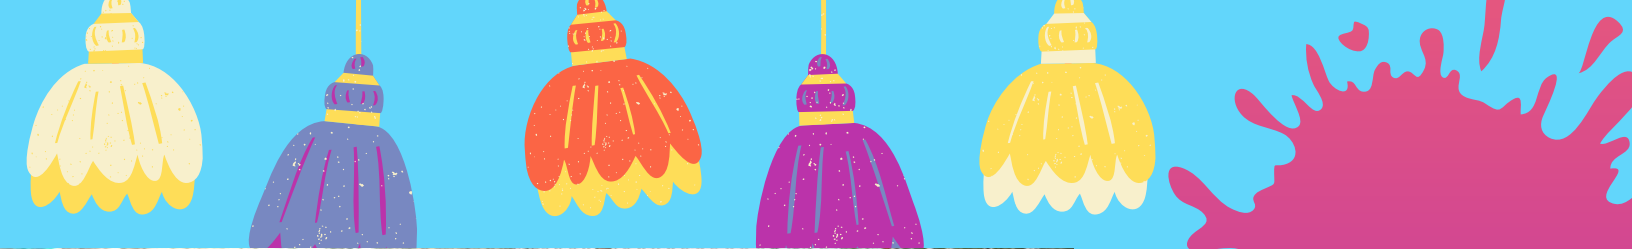

The celebration of Holi at ITL Candyfloss was a joyful blend of learning and fun. The children were introduced to the story of Holika Dahan and Bhakt Prahlad, helping them understand the significance of the festival and the victory of good over evil. They also learned to celebrate responsibly by avoiding water balloons and being kind to animals. Teachers greeted the little ones with the colours of love, and the children joyfully shared vibrant pops of colours with their peers. It was a happy day, truly reflecting the spirit of Holi—spreading love, positivity, and togetherness.

Happy Holi

**Colours make our hearts  
smile**

Colours paint  
every smile

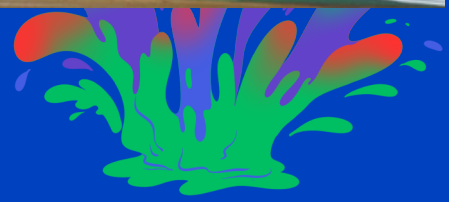

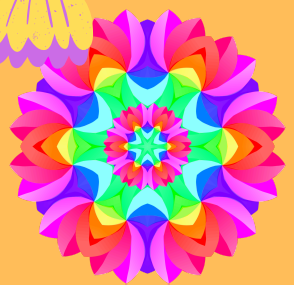

Little hands, big splashes  
of happiness!

Learning, laughing  
and lovely colours

Smiles as colourful  
as our holi day!
