World Book Day

World Book Day 2025 – Celebrating Stories with Joy and Imagination at ITL Public School ✨🌍

On April 23, 2025, ITL Public School joyfully celebrated World Book Day with a heartwarming Musical Storytelling Session – Panchatantra Ki Kahaniyaan, specially curated for our curious learners from Nursery to Class II.

The session was brought to life by the immensely talented Ms. Srabasti Dutta, Editor-in-Chief of Jigyasa, who took children on a magical journey through the enchanting world of Panchatantra. With music, movement, and expressive storytelling, she sparked laughter, curiosity, and timeless life lessons. Children listened, sang, danced, and immersed themselves in stories that have stood the test of time.

Adding to the excitement, our little artists made their very own bookmarks using leaf and ladyfinger printing, creating colorful and creative patterns while learning the purpose of a bookmark in their reading journey.

Children also crafted their personalized 'All About Me' Books — a sweet compilation of pages all about themselves, including their name, gender, age, family members, favourite things, and hobbies. With big smiles and proud hearts, they stood up and shared their books with peers, building confidence and self-expression.

This vibrant celebration highlighted the true spirit of World Book Day — nurturing a love for reading, self-expression, and cultural appreciation in our early learners.

National Doctors Day

At ITL Candyfloss, National Doctor's Day was celebrated with immense gratitude and joyful hearts. The celebration began on a traditional and auspicious note with lamp lighting, setting the tone for a meaningful day ahead. The little ones, along with their teachers, came together to honour the heroes in white coats - 'our doctors' —in a heartwarming special assembly.

Doctor parents from our Candyfloss family were invited and warmly welcomed. The celebration began on a traditional and auspicious note with lamp lighting, setting the tone for a meaningful day ahead.

Children expressed their admiration through delightful performances. They began with a graceful Ganesh Vandana dance, followed by a creative acrostic on 'DOCTOR', highlighting the noble traits of a doctor. The Hindi poem 'Telephone' came alive as a playful act - calling a doctor home in an emergency, while the English poem 'The Doctor' captured the caring routine of doctors in their day-to-day life.

More than just a celebration, the day turned into a moment of reflection and respect. It concluded with a soulful choir by our teachers, thanking doctors for their unmatched dedication—putting aside comfort, rest, and family to care for others. The experience left lasting impressions on our little learners, helping them understand the true meaning of compassion, service, and selfless care.

Guru Purnima

Honouring our Guiding lights at ITL Candyfloss

The Guru Purnima celebration at ITL Candyfloss began on a thoughtful note as children gathered to understand the true essence of a Guru — the one who leads us from darkness to light. During the morning prayer assembly, little learners chanted the sacred shloka "Guru Brahma, Guru Vishnu…", learning its meaning with joy and reverence.

To express their gratitude in a creative way, children participated in a "Hands of Respect" activity, where they printed their colourful hand impressions on a tree trunk design, symbolizing how each child blossoms under the guidance of their Gurus.
The vibrant handprints stood as a heartfelt tribute to their teachers — the roots of wisdom, care, and learning.

Each tiny hand left a big message:

ITL Candyfloss joyfully celebrated Van Mahotsav as a meaningful and memorable event for our little learners, centred around the heartwarming theme
"Ek Ped Maa Ke Naam."

Just like a mother, a tree nurtures us selflessly—offering shade, fruits, flowers, and fresh air without expecting anything in return. To help our children understand this unconditional love and the vital role of trees, the day unfolded with a series of thoughtfully curated activities.

The celebration began with an engaging story session, where teachers brought to life a beautiful tale of a tree through a lively enactment. The story conveyed powerful lessons of love, kindness, and environmental care, leaving the children inspired.

The day concluded with a creative poster-making activity, where children used their imagination to express their love for trees through vibrant colors and heartfelt messages.

Through this joyful celebration, we endeavoured to plant seeds of environmental awareness and empathy in our students—nurturing in them a lifelong love for nature and a sense of responsibility as future guardians of our planet.

Let's grow green together—one tree, one child, one heart at a time.

World Paper Bag Day

🌿 **Paper Bag Day Celebration at ITL Candyfloss**
Little Hands, Big Impact!

On the occasion of Paper Bag Day, our creative little learners at ITL Candyfloss took a big step toward protecting Mother Earth. Using old newspapers, magazines, and used paper sheets, the children carefully crafted eco-friendly paper bags— at home with parents.

With great enthusiasm, they bought their handmade bags to school and decorated them using waste materials like used laces, leftover fabric pieces, colourful buttons, broken bangles, gift-wrapping scraps, and cut-outs from old greeting cards. Each bag became a unique piece of art, filled with joy, colour, and creativity.

Through this fun-filled activity, our preschoolers learned the value of recycling, reusing, and saying no to plastic. They turned "waste" into "wonder" — proving that tiny hands can make a ★big difference when they work together! 🌍💚

Skill India Week at ITL Candyfloss

Our tiny tots at ITL Candyfloss turned into joyful little artists this week, celebrating 'Skill India Week' with colour, creativity, and charm!

During the week, they crafted dazzling 'Mirror Decor' by layering shiny mirrors on round boards, moulded and painted cute 'Fridge Magnets' using Fevicryl clay, and built charming 'Ice-cream Stick Baskets' decorated with ribbons, mirrors, and sequins. Old bottles also got a fresh, artsy twist through 'Bottle Art', and the jute ropes were twirled and painted to create adorable 'Warli Coasters'.

This gently introduced the youngsters to the world of skill-building and self-expression — planting early seeds of entrepreneurship. By turning simple materials into delightful creations, our little learners discovered how imagination, effort, and innovation can one day connect to real-world ideas like marketing, creativity, and value.

World Conservation Day

Our little learners were gently introduced to the idea of caring for the Earth through simple, everyday actions–like switching off lights when not in use, turning off taps while brushing, throwing waste into dustbins, and planting more trees. These small acts, when done with love and awareness, make a big difference in keeping our planet safe, clean, and green.

With these thoughtful habits in mind, the children joyfully participated in a series of meaningful activities to celebrate World Conservation Day and showed their love for nature.

The day began with a Seed Planting Activity, where each child lovingly planted tiny seeds, learning about the importance of growing plants and how they help keep the Earth green and clean.

This was followed by an interactive Trash and Treasure Sorting Activity. Through this fun and hands-on session, students learned to differentiate between items that are helpful for the Earth (like paper, reusable bottles, fruit peels) and those that are harmful (like plastic bags, wrappers, and styrofoam). The activity helped children understand the importance of reducing waste and recycling whenever possible.

The celebration was a beautiful step towards instilling eco-conscious values in young minds and encouraging them to be proud, responsible little Earth warriors!

Raksha Bandhan

Rakshabandhan at ITL Candyfloss was celebrated with joy, creativity, and a message for a greener tomorrow. Our little ones crafted beautiful rakhis using eco-friendly, sowable kitchen spices like jeera, saunf, moong dal, fenugreek seeds, and cloves. These special rakhis, once old, can be sown in soil to grow into plants – a thoughtful way to nurture love for nature and protect the environment.

The day was filled with warmth as children recited a vibrant rhyme on Rakshabandhan, learning the true meaning of the festival. Before heading home, they tied rakhis to the school guard, the bhaiya who keep our school , classrooms and surroundings clean, and even to trees – honouring those who protect, care, and sustain our life every day. It was a celebration of bonds, gratitude, and the promise of a healthier planet.

GANESH CHATURTHI

The festive spirit of Ganesh Chaturthi began at ITL Candyfloss with devotion, creativity, and joy.

On Day 1, an Eco-Friendly Ganesha Activity was organised, where mothers, as partners in education, lovingly crafted idols using leaves, vegetables, clay, and other natural materials. The children too added their creative charm by designing Ganesha's trunk, crown, and laddoos. The activity beautifully wove together fun and learning while spreading a strong message of protecting nature. The day concluded with smiles all around and hearts brimming with devotion.

Day 2 witnessed the same zeal and excitement with a Modak Making Activity. Mothers and children prepared delicious modaks using milkmaid, coconut powder, and dry fruits. The offerings were lovingly placed before Lord Ganesha during the Puja, and everyone joined together in singing the Aarti with devotion. The activity reflected the true spirit of Parent-Teacher Partnership, as families and educators came together to create joyful and meaningful learning experiences for the little ones.

With these two days of heartfelt celebrations, ITL Candyfloss continues to honour Lord Ganesha while nurturing creativity, togetherness, and devotion.

Teachers' Day Celebration

ITL Candyfloss marked Teachers' Day with a special programme organised for the young learners to express their gratitude to their teachers.

The celebration began with a melodious choir on the soulful song 'Guru Mera Sansaar', setting a warm and devotional tone. Children presented heartfelt acrostics, creatively turning each letter of the word TEACHER into meaningful expressions of admiration. One child, dressed as Dr. Sarvepalli Radhakrishnan, recited a beautiful poem highlighting his life and inspiring everyone present. A touching Hindi Poem followed, portraying the daily care and love teachers shower on their students.

The programme concluded with a lively dance mashup on 'Chote Chote Pao Se Chala Jo School Ke Taraf' and 'Shukriya', showcasing the little stars' joy and gratitude towards their teachers.

The day was a memorable tribute, reflecting the respect and thankfulness that Teachers' Day represents.

International LITERACY DAY

At ITL Candyfloss, young learners immersed themselves in the spirit of Literacy Day through engaging, hands-on activities. Children joyfully designed bookmarks with vibrant ladyfinger and leaf impressions dipped in paints, blending creativity with their growing love for books.

Kindergarteners took the celebration a step further by creating a charming mini booklet titled "All About Me". They not only shared details about their name, age, family, friends, and favorites, but also confidently talked about the pages they had filled in — turning the little booklet into their very own story.

The day highlighted for children that literacy is much more than reading and writing; it is about exploring imagination, expressing individuality, and connecting with the world. Through these simple yet meaningful activities, they carried home the message that books and stories are lifelong companions in learning and growth.

HINDI DIWAS

ITL Candyfloss celebrated Hindi Diwas with great enthusiasm by organising an intra-class competition for Nursery and KG students. Our little stars presented 'Poem Recitations', while KG students showcased their talent through 'Doha Recitations'.

The young participants impressed everyone with their confident performances, some even dressing as Sant Kabir Das or characters from their poems. Winners were appreciated for their expressive presentations.

The celebration helped children connect with their mother tongue, understand the importance of Hindi Diwas in honouring our national language, and develop a deeper respect for India's rich linguistic heritage.

Dussehra Celebration

This Dussehra, our tiny stars of ITL Candyfloss stepped into the divine world of the Ramayana! Dressed in vibrant attire and holding props with pride, they brought alive the story of Lord Ram — from the loving Dashrath Parivaar and serene Gurukul days to Sita's Swayamvar, Kekai Vardaan, and Ram's Vanvas.

They beautifully enacted Surpnakha's mischief, Shabri's devotion, Sita Haran, and Hanuman's bravery, even recreating the grand Yudh between Ram and Ravan — a joyful reminder of the victory of good over evil. Through their lively performances, the children reflected creativity, confidence, and the timeless values of courage and virtue.

The day began with a pep talk on Gandhiji's values—Truth, Cleanliness, Sharing, Peace, and Simplicity—shared in a fun and simple way for children. Little ones sang Raghupati Raghav Raja Ram and enacted Gandhiji with the three wise monkeys, spreading the message of "See No Evil, Hear No Evil, Speak No Evil." They also enjoyed a charkha craft activity, learning self-reliance through creativity. Songs, role play, and craft together made the celebration a meaningful tribute to Mahatma Gandhi.

WORLD MENTAL HEALTH DAY CELEBRATION

Our little learners engaged in a thoughtful discussion after watching a story on Safe and Unsafe touch. They understood the difference between the two, recognized personal boundaries, learned to say 'NO' when needed, and the importance of sharing openly with their parents. The Kindergarteners further extended their learning by tracing their palms to create a 'close circle' — five trusted family members they can reach out to for help and care. This hands-on activity beautifully reinforced trust, safety, and emotional awareness, helping children build confidence in expressing themselves.

Diwali

ITL Candyfloss celebrated a vibrant Diwali Week filled with joy, creativity, and awareness. Students took part in Slogan Recitation, Poster Making, and Rangoli Designing with their mothers, promoting the message of a Green Diwali.

Little ones enjoyed Diwali-themed colouring and crafted paper chandeliers with diyas, adding festive cheer to their classrooms. Dressed in bright ethnic wear, they joined a special Assembly with Ganesha Aarti and Lakshmi Puja, learning the devotion and core values of being empathetic and compassionate this Diwali.

A thoughtful Go Green Rally by senior students inspired everyone to celebrate responsibly. The week ended with a joyful Diwali Party filled with music, dance, and festive treats—spreading smiles and togetherness all around.

SKILL BAZAAR

The Skill Bazaar sparkled with festive joy and creativity as teachers showcased their artistic talents through handcrafted Diwali creations and home decor — featuring vibrant torans, mirror art on MDF, macrame pieces, decorative bottles, wall hangings, baskets, coasters, fridge magnets, glowing candles, and even homemade nutribars and sweets. Adding to this charm were the creations made earlier by our little learners in class with their teachers, reflecting their effort, patience, and love for art.

Parents joined in wholeheartedly, adding warmth and encouragement to this joyful initiative — making the Skill Bazaar a beautiful celebration of collaboration between school and home. Watching it all unfold, our young visitors discovered that every small effort holds value, gaining early lessons in creativity, appreciation, and shared joy!

GURUPURAB

The pious occasion of Guru Nanak Dev Ji's Gurpurab was observed with great devotion at ITL Candyfloss. During the morning prayer, the school resonated with the divine verses of Gurbani as the children sang the first paragraph of Japji Sahib, spreading a serene and spiritual aura all around.

As part of nurturing young minds to embrace the values of diverse religions of India, the celebration encouraged children to appreciate our rich cultural heritage while spreading the message of secularism and respect for all faiths.

The teachers, too, offered their tribute to Guru Nanak Dev Ji by presenting a soulful Shabad from Gurbani. The celebration beautifully reflected the values of love, peace, and humility taught by Guru Nanak Dev Ji, inspiring everyone to walk the path of truth, harmony, and compassion.

HAPPY LOHRI

SUNDAR MUNDRIYE HO! LOHRI WAS CELEBRATED AT ITL CANDYFLOSS WITH GREAT ZEAL AND ENTHUSIASM. A SYMBOLIC BONFIRE WAS ARRANGED, AND CHILDREN WERE SENSITIVELY INFORMED ABOUT THE SIGNIFICANCE OF THE FESTIVAL. THEY WERE GUIDED TO UNDERSTAND THAT LOHRI IS CELEBRATED AS A MARK OF GRATITUDE TOWARDS NATURE, THE SUN, AND THE EARTH FOR PROVIDING US WITH FOOD AND SUSTENANCE. THE CHILDREN WERE ALSO ENCOURAGED TO REALISE THAT THE TRUE SPIRIT OF LOHRI LIES IN SHARING AND CARING FOR THE NEEDY. THE CELEBRATION WAS FURTHER ENLIVENED AS THE CHILDREN ENJOYED DANCING TO TRADITIONAL PUNJABI MUSIC. TO CONCLUDE THE FESTIVITIES, LOHRI GOODIES SUCH AS PEANUTS, REWARI, AND POPCORN WERE DISTRIBUTED AMONG ALL THE CHILDREN. THE CELEBRATION WAS A WARM AND MEANINGFUL EXPERIENCE, FILLED WITH JOY, LEARNING, AND TOGETHERNESS.

Makar Sankranti

Makar Sankranti, a festival that marks the sun's journey and celebrates new beginnings, was joyfully observed at ITL Candyfloss, spreading a spirit of positivity, growth, and togetherness—much like the colourful kites that brighten the winter sky. Our little learners expressed their festive joy through a free-hand kite drawing activity, filling their kites with favourite bright colours and showcasing their imagination and growing artistic skills, while simple and interactive discussions helped them explore how the festival is celebrated across different states of India, such as Punjab, Tamil Nadu, Rajasthan, Bihar, Uttar Pradesh etc. and how it is known by different names in different regions.

VASANT PANCHAMI

At ITL Candyfloss, Vasant Panchami was observed to help children understand the importance of learning and respect for knowledge. The celebration aimed to introduce cultural values while guiding children towards responsible habits related to their learning materials. During the pep talk, children were told in simple words why Basant Panchami is celebrated and its association with Goddess Saraswati, who blesses us with knowledge and wisdom. They were also guided on how to respect their books and learning materials by keeping them neat, not tearing or scribbling on pages unnecessarily, and avoiding wastage of paper. The celebration began with an aarti, where children participated with folded hands, learning the values of gratitude, discipline, and togetherness.

“Blessed by Maa Saraswati —little minds, big wisdom.”

REPUBLIC DAY

ITL Candyfloss celebrated Republic Day helping children understand the significance of our nation and to inculcate values of pride, respect, and patriotism from an early age.

The celebration included an intra-class Show and Tell competition on national symbols for Nursery and an intra-class Fancy Dress competition on national leaders for KG. The children participated with confidence, enthusiasm, and a strong sense of national spirit. Please have a look at these beautiful moments from the celebration.

From balancing on beams to crawling through commando nets and participating in team games like tug of war and zorbing, every moment encouraged confidence, coordination, and teamwork. The day ended with a joyful dance session, leaving the children smiling and refreshed.
