## **Assembly Report**

**Theme: Baisakhi Celebration-“ A festival of joy, courage and community”**

**DATE:- 13 April 2026**

### **Special Assembly Report on Baisakhi Celebration**

**"As golden fields sway with the rhythm of harvest, may Baisakhi bring abundance, joy, and togetherness into your life."**

Embracing the spirit of harvest, gratitude, and new beginnings, Vivekanand House of MBS International School conducted a special assembly on the occasion of Baisakhi on 13 April 2026. The assembly beautifully showcased India's rich cultural traditions while promoting values of unity, hard work, and positivity among students.

The programme began with a serene prayer that created a peaceful and respectful environment. This was followed by a meaningful thought of the day that motivated students to remain dedicated and sincere in their efforts, just as farmers work tirelessly for a successful harvest.

The News segment kept the audience informed about important national and international updates, encouraging awareness and responsible citizenship. The cultural presentation included speeches and poetry highlighting the significance of Baisakhi and its message of prosperity and gratitude. A well-presented group play effectively depicted the cultural and historical essence of the festival.

A vibrant Senior Choir performance added enthusiasm and festive spirit to the assembly, displaying the musical talent and confidence of the students.

Students from classes V–VIII were awarded Gold, Silver, and Bronze prizes for the academic session 2025–26 in the Orange Olympiad Competition.

The respected Vice Principal Ma'am addressed the gathering and appreciated the efforts of Vivekanand House students, encouraging everyone to uphold cultural values and continue working with dedication and teamwork.

The assembly concluded with the School Song followed by the National Anthem, leaving the audience inspired and filled with festive joy. The Baisakhi assembly conducted by Vivekanand House was a meaningful celebration that strengthened cultural awareness and togetherness within the school community.
