Dear Parents,

“The secret of change is to focus all your energy not on fighting the old, but on building the new”- Socrates

Newspaper in Education (NIE) was launched with the mission of bringing the world into the classroom via the powerful medium of newspapers. It focuses on science, technology, environment, nature, fitness, sport, etc. that interest the youth.

The immensely popular weekly supplement Education Times gives students a forum to express their creative potential in the form of article, poems, paintings, etc. It caters to the needs & aspirations of all age groups by focusing on art & and crafts, theatre, guidance counselling, etc.

We would appreciate your contribution to add value education and give new dimension to classroom teaching through a **subscription of Rs. 385/-** for the above-mentioned newspaper. Please submit the amount to your concerned class teacher **latest by 30/04/2026.**
