

## Pearls on Paper Handwriting Competition

On April 15th, 2023, Pratap International School held its annual handwriting competition, "Pearls on Paper." Students from various grades participated in this event to showcase their skills in handwriting. The competition was judged by **Ms. Poonam Sood**, an experienced educator and an expert in the field of cursive handwriting.

**Ms. Poonam Sood**, the judge of the competition, assessed the handwriting of the participants based on various parameters such as letter formation, spacing, legibility, and overall presentation. She also provided valuable feedback to each participant to help them improve their skills.

The competition was a great success, with participants showcasing their unique styles and techniques. The winners of the competition were awarded certificates and prizes, and the event ended on a positive note with everyone feeling encouraged and inspired to improve their handwriting skills.
